The Little Learners Preschool is a laboratory school for our high school Early Childhood Occupations classes. The preschool teachers are high school students who have completed Child Development courses and have expressed an interest in working with young children. We present a well-planned, developmentally appropriate program to enrich and supplement the child's home education with experiences that may help him/her develop physically, intellectually, emotionally, and socially.

Two classes of high school students will meet to run the Little Learners Preschool. **Here is some information about the Little Learners Preschool for Fall 2021:**

- *The fall session runs from September through early-December.*
- *The preschool will meet three days a week on Tuesdays, Wednesdays, and Thursdays according to the high school calendar.*
- *The preschool will meet from 9:30-11:40.*
- *The cost will be \$100 total for the Fall. There are no refunds.*
- *A health care form must be filled out by the child's doctor. This is due the 1st day of preschool.*
- *Fall preschool students will be given the option to continue in the Spring session which will run three days a week from February through early-May.*

If you would like your child to have a spot in the Fall 2021 preschool, please fill out the preschool application and submit payment using the link below:
