

# Year 2 Term 5 Overview

## English/History—

The children will be exploring and responding to a range of Fairy Tales. They will be looking at the conventions of Fairy Tales and how they were written in the past in comparison to how they are written today. They will be developing connections and emphasising with characters. They will be focusing closely on Rapunzel as a text and identifying how she is portrayed in different versions. This will become a stimulus in supporting the children to write their own creative story.

## PSHE

We will be learning about different types of families. We will be talking about the values that we share with one another in our own families.

## Maths.

In **Money**— The children will be looking at different coins and will begin to recognise their values. We will be focusing on giving change and solving money problems by using coins practically.

In **Time**— The children will be learning how to read a clock in intervals of 5 minutes and recognising o'clock time, quarter to and quarter past. The children will also be carrying out problem solving activities related to this.

## Science—Plants

This term we will be focusing on plants and looking at seeds. We will be looking closely at how seeds are dispersed and what they need to grow successfully. We will be growing our own seeds and monitoring the growth of these by recording and observing their changes in a plant diary.

## Investigators

## D & T (Design and Technology)

In D&T the children will be using and developing their knowledge of materials to design and construct a model of Rapunzel's tower. The children will be able to evaluate their product and suggest improvements.

## Art

We will be developing our colour mixing skills this term. We will be exploring water colours to create a Fairy Tale background and use printing and rubbings to add other media to our Fairy Tale scenes.

## Music—

In music this term we will be focusing on composition. The children will be using their voice and un-tuned instruments to explore and create music to represent different characters Fairy Tales and Traditional stories.

The children will also be performing these pieces.

## PE

The children will be learning how to work in a team. They will learn to dribble, pass, run in and out of obstacles against
