

Family Circumstances Information

DETAILS WILL BE CONFIDENTIAL TO THE SCHOOL

Dear Parents and Guardians,

Past experience has taught us that misunderstandings and embarrassment can be best avoided if we keep the answers to some quite specific and detailed questions relating to arrangements made for children who do not live with both parents in the same home. Please forgive this intrusion, but if we are to fulfil our responsibilities in loco parentis and give children the best possible care, we do need clear information from the adult(s) who are legally responsible for the child.

Pease complete the form in block capitals
