INSURANCE

McCallie Lacrosse Camp supplies each camper with supplemental accidental medical insurance coverage. This coverage is designed to take care of remaining expenses if a family's primary insurance coverage does not cover all expenses. Your insurance is the primary coverage.

USE OF PHONES

Cell phones are not permitted during camp. It is easier for campers to adjust to being away from home if they do not have constant access to a phone. Phones will be made available if needed.

SPENDING MONEY/AIRLINE TICKETS

Campers will have the opportunity to purchase items from the camp store. In order to do so, parents must give permission at drop off on Sunday and will settle their accounts at pick up on Friday using the Venmo app. If you will not be dropping off your son in person, permission can be given via email.

If your son is flying to camp, we realize the need for meal money while en route. We will gladly lock remaining money for return trips home in our camp bank until the conclusion of camp.
