

April 23, 2021

Dear Keeneyville District 20 Families,

We have now completed three weeks of full day, in-person learning, and we want to thank our families and staff for following the District 20 health and safety protocols which are aligned with state and local COVID-19 guidelines. We are very pleased that since we began in-person instruction in October, we have seen a low number of students with confirmed cases of COVID-19. We need to continue to work together to maintain a safe school community as we finish out the remaining weeks of the school year.

- ***It is essential that you complete your child(ren)'s health assessment and [certification card](#), each and every day.*** If your child has any of the COVID-19 related symptoms below within the previous 24 hours, your **child must stay home**, and you need to report the absence and reasons to your school:
 - Fever of 100.4F or higher
 - New onset of moderate to severe headache
 - Shortness of breath
 - New cough or sore throat
 - Vomiting or diarrhea
 - New loss of sense of taste or smell
 - Fatigue from unknown cause
 - Muscle or body aches from unknown cause
- If your child experiences symptoms during the school day, the nurse will conduct an evaluation and contact you to pick-up your child if needed. ***We continue to strongly recommend seeking medical care and/or testing if the symptoms appear to be related to COVID-19.*** Please see the [D20 COVID-19 Protocols & FAQs](#) for current procedures, which are consistent with recently updated IDPH, ISBE and DCHD guidelines.
- [District 20 Summer School Registration](#) is open for current ESD20 K-8th grade students through May 4. Please see the flyer for more information. [ENGLISH](#) / [SPANISH](#)
- Registration for the 2021-22 School Year is now open for Preschool and Kindergarten. Grades 1-8 can start to register on Monday, May 3. Go to www.esd20.org -- > [REGISTRATION](#) tab for all details and links. ***Registration is FREE for Grades 1-8 with the Early Bird Discount if you register before May 31.***

Please enjoy this [video](#) of our students across the district celebrating Earth Day this week. Have a wonderful Spring weekend with your loved ones.

Sincerely,

Dr. Omar Castillo
Superintendent of Schools
Keeneyville ESD 20
