Overview of Project

The Rabun County Board of Education is seeking qualified bids for upgrading the performance lighting within the RCHS Fine Arts Auditorium. We are looking to potentially replace all of the fixtures 1 to 1 with an LED equivalent. This will also include a number of motorized lighting fixtures.

The lighting will need a lighting console control system as well. The previous control system was an ETC Congo Jr. We are looking for something comparable or better.

Our current light configuration includes the following:

- 5 Rigging Rows of lights (3 on the stage and 2 in the house)
- 5 Altman SKY-CYC Lominaire Color lights
- 57 ETC Source Four 750 Ellisoidal Spotlights
- 32 ETC Source Four Parnel Lights
- 6 Alpha Spot HPE 300

This will need to be a turnkey solution to include training. There will be a **mandatory** pre-bid meeting on 5/4/2021 at 10 AM in the RCHS Fine Arts Building located at 230 Wildcat Hill Drive, Tiger, GA 30576. Bids will not be accepted if the party did not attend this meeting.
