

YOUTH DEVELOPMENT

Nurturing the potential of every child and teen.

SCHOOL AGE CHILD CARE (SACC)

SACC is an exciting and challenging place, where children in area elementary schools stretch their skills in mind and body. Programs offer a combination of free choice and structured activities. Expanded curriculum includes: arts & crafts, science, service learning, health & fitness, homework support, literacy, character development and conflict resolution. All programs promote the four core values of caring, honesty, respect and responsibility. SACC programs are state licensed, and Madison sites are city-accredited. All sites accept Wisconsin Shares, and Madison sites accept city funding.

AFTER SCHOOL (AS)

Our programs offer a combination of child-initiated and teacher-led activities. Expanded curriculum includes healthy living, arts & humanity, science, service learning, homework support, math, literacy, character development and conflict resolution. After School starts when school releases and ends at 6:00pm. This includes scheduled early release days.

BEFORE SCHOOL (BS)

If your work day begins before your child's school day, then this program is right for your family. Your child will be safe and engaged in this nurturing environment. Activities include a combination of teacher-led projects and child-initiated activities, which promote character & youth development, healthy living and social responsibility. Sun Prairie and Oregon locations start at 6:30am. Madison locations start at 7:00am. (Before School does not run if the school has a delay or cancellation.)

LATE START (LS)

Late Start is offered at Verona locations to accommodate the late start school schedule. If you begin work early, and the late start of the school day does not work for you, our program will. Your child will be safe and engaged as our early morning programming includes teacher-led projects, child-initiated activities and a nurturing environment that promotes character development, youth development, healthy living and social responsibility all before the school day begins. Late start opens at 7:00am and runs until the school day begins.

SCHOOLS OUT (SO)

Join us most scheduled days off and most unexpected days as well. Theme days are filled with exciting activities and special projects. Registration/payment is separate from Before/After School programs. Children currently 5-13 years old are eligible. 7:00am-6:00pm. Oregon & Sun Prairie starts at 6:30am.
