

OXBRIDGE ACADEMY DRESS CODE

For Middle and High School Students

Expectations of Dress

We believe that a student's overall appearance is not only a reflection of self, but but also of Oxbridge Academy as a school, on and off campus. Adherence to dress code requirements is a measure of a student's respect for the school and its rules for dress.

Note that we do not require students to purchase clothing from a specific vendor. Instead, we allow them to exercise sound judgment in selecting appropriate clothing that meets our dress code guidelines.
