What a lovely first week back we have had! The sunshine has helped! The children have been enjoying being able to play on the field again. It is hard not to be excited about the approaching summer!

KS2 had a brilliant day on Thursday, when they took part in some team-building challenges on the field. This was organised to help the children develop important teamwork skills, have fun and complete an activity that can go towards their JASS awards, which we are still hoping to complete this year!

Thank you to the PTA for organising the egg-citing (ha ha!) egg hunt around the village during the holidays. I know lots of children enjoyed egg-spotting! The egg hunt has raised approximately £75, so thank you to everyone who took part and donated money.

HOUSE PLANTS

If you have any houseplants looking for a new home or if you could take some cuttings we would love them for in school. Our children love nature and we want to bring some of that green goodness inside!

PE KITS

We all got used to wearing our own clothes for PE during the recent Covid- measure changes. As we are now more settled, we would ask that children wear school PE kits (white / red t-shirt, black shorts/ jogging bottoms and trainers) after Easter. Keep an eye on class dojo for PE days.

Byfield Good Neighbours Scheme

The BGNS has done, and continues to do, amazing work supporting families through these difficult times. If you feel you would benefit from some support, then do please get in touch. Contact details are below or if you prefer speak to or email Miss Rawden in the school office who will be able to help.
