Each employee will be provided with a duty-free lunch period of thirty minutes and will be entitled to a lunch at no cost for the purpose of quality control. In the case that the lunch period occurs after the assigned duty period, the employee may choose not to utilize the scheduled lunch period.

Section 2 – Work Breaks

Each employee working more than three hours shall be provided with a duty-free break of 15 minutes for each three hour period of service. Insofar as possible, such breaks shall be given after a minimum of one hour worked. Employees working three or less hours are not entitled to a duty-free break.

Section 3 – Contract Days

Except in case of a strike, the work year for cafeteria employees shall coincide with the student school year.

If a strike causes the schools to be closed, cafeteria employees will be paid the first five days that school is not in session and they will then be laid off without pay for the remainder of the strike. During the strike, insurance premiums will continue to be paid by the district. Such layoffs will be duly certified to the proper state unemployment compensation officials.

Section 4 – Postings

Subd. 1 – Whenever an opening for a cafeteria employee position of four hours or more occurs in any of the schools, the Human Resources Department shall prepare a written notice of such openings including job title, job description and qualifications. Such notices shall be posted on the district website and sent by email to all kitchens.

Subd. 2 – Job openings shall be posted for at least five working days and shall not be filled during such time, except the posting period shall be two days during the three week period immediately prior to the start of the first student contact day of each year. Nothing in this subdivision prohibits the District, however, from advertising for both unit and non-unit applicants on a concurrent basis.

Subd. 3 – All internal cafeteria employees *making* application are to be interviewed before an applicant from outside the unit is interviewed. The word "interview" as used in this subdivision shall mean that the Supervisor of Nutrition Services, or designee will make an effort to talk (formally or on an informal basis) with each applicant before outside applicants are interviewed.

Subd. 4 – Additional Hours – Whenever a kitchen's hours are expanded, up to one hour, such additional hours will be offered to the most qualified employee in the kitchen, provided schedules do not conflict. In the event two or more employees express interest from within the building, are equally qualified, and meet all other requirements, the employee with the most seniority shall be offered the additional hours. If no one within the building is assigned the additional time, the increase of hours shall be posted in all other buildings.

Section 5 – Promotions

For purposes of this section, a promotion is defined as moving to a position of a higher classification which involves a basic increase in pay.

Subd. 1 – In filling positions involving a promotion, the position shall be filled by the school district with the best qualified candidate, as determined by the Supervisor of Nutrition Services and Cook Manager. In making its determination, the administration shall consider the employee's qualification and aptitude for the position as well as her/his length of service with the school district, along with other relevant factors.

Subd. 2 – If, in review of applications, the administration is going to recommend that a job be awarded to a junior employee or an outside applicant, a designated person from the Cafeteria Employee's Organization negotiations team shall be notified in advance of awarding the job and shall have the opportunity to discuss the matter with the Supervisor of Nutrition.

Section 6 – Emergency School Closings

On a day when school is canceled for students all cafeteria personnel are excused from work on that day. Employees shall receive their normal daily rate of pay for the first two emergency closings due to weather each year. When Flex/eLearning days are implemented, generally starting the third day of school closure, cafeteria employees will be provided opportunities to make up time missed through online professional development and/or additional work days scheduled at the end of the school year, as arranged by the Supervisor of Nutrition Services.

Section 7 – Health Examination

To be eligible for employment, new cafeteria employees shall be required to complete a health examination. The exam must be completed at a clinic determined by the district, and will be paid for by the school district.

Section 8 – Resignation

A written notice of resignation shall be filed with the Human Resources office at least two weeks prior to the effective date of resignation.

Section 9 – Clothing

Employees must dress in accordance with Nutrition Services uniform policy.

Section 10 – Summer Notices

Employees will be provided with a minimum of ten days advanced written notice when they will be required to attend meetings which are held during non-duty summer months of each year.

ARTICLE X – GRIEVANCE PROCEDURE

Section 1 – Grievance Definition

The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a legal holiday.

Subd. 4 – Filing and Postmark – The filing or service of any notice or document herein shall be timely if it bears a dated postmark of the United States mail within the time period.

Subd. 5 – The employee or the exclusive representative and the School Board or its designee may waive any level of this procedure by written mutual agreement.

Subd. 6 – Notwithstanding the action of any employee, the exclusive representative shall be informed of all formal grievances, and shall receive a copy of all grievances, decisions and appeals.

Subd. 7 – All meetings or hearings provided for in this grievance and arbitration procedure shall be conducted at a mutually agreeable time and employees who participate in such meetings or hearings shall not be deducted wages or leave credit for such participation.

Section 4 – Time Limitation And Waiver

Grievances shall not be valid for consideration unless the grievance is submitted in writing to the building principal setting forth the facts and the specific provisions of the agreement allegedly violated and the relief sought within 20 working days after the date the event giving rise to the grievance occurred. Failure to appeal a grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter shall constitute a waiver of the grievance.

Section 5 – Adjustment Of Grievance

The School Board and the employee or the exclusive representative shall attempt to adjust all grievances which may arise during the course of employment of any employee within the school district in the following manner.

Subd. 1 – Informal Process – The employee should first attempt to resolve the grievance informally by consulting with the cafeteria manager, building principal and/or the Supervisor of Nutrition Services.

Subd. 2 – Level I – In the event that the grievance is not resolved through informal means, the employee may submit the grievance in writing to the building principal. The building principal shall meet with the employee and render a decision within ten days after receipt of the grievance.

Subd. 3 – Level II – In the event the grievance is not resolved in Level I, the decision rendered may be appealed to Human Resources, provided such appeal is made in writing

Within ten days after the meeting, Human Resources shall issue a decision in writing to the parties involved.

Subd. 4 – Level III – In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the School Board, provided such appeal is made in writing within five days after receipt of the decision in Level II. If a grievance is properly appealed to the School Board, the School Board shall set a time to hear the grievance within 20 days after receipt of the appeal. Within 20 days after the meeting, the School Board shall issue its decision in writing to the parties involved. At the option of the School Board, a committee or representative(s) of the board may be designated by the board to hear the appeal at this level and render a decision.

Section 6 – School Board Review

The School Board reserves the right to review any decisions issued under Level I and Level II of this procedure provided the School Board or its representative notify the parties of its intention to review within ten days after the decision has been rendered. In the event the School Board reviews a grievance under this section, the School Board reserves the right to reverse or modify such decision provided such decision is issued within ten days of notification.

Section 7 – Denial Of Grievance

Failure by the School Board or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the employee may appeal it to the next level.

Section 8 – Arbitration Procedures

In the event that the employee or the exclusive representative and the School Board are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein.

Subd. 1 – Request – A request to submit a grievance to arbitration must be in writing signed by the aggrieved party and the exclusive representative and such request must be filed in the office of Human Resources within ten days following receipt of the decision in Level III of the grievance procedure.

Subd. 2 – Prior Procedure Required – No grievance shall be considered by the arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provisions.

Subd. 3 – Selection of Arbitrator – Upon the proper submission of a grievance under the terms of this procedure, the parties shall, within ten days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the PERB to appoint an arbitrator pursuant to M.S. 179.70, Subd. 4, providing such request is made within 20 days after request for arbitration.

The request shall ask that the appointment be made within 30 days after the receipt of said request. Failure to agree upon an arbitrator or the failure to request an arbitrator from the PERB within the time periods provided herein shall constitute a waiver of the grievance.

Subd. 4 – Submission of Grievance Information

1. Upon appointment of the arbitrator, the appealing party shall, within five (5) days after notice of appointment, forward to the arbitrator, with a copy to the School Board, the submission of the grievance which shall include the following:
 - a. The issues involved
 - b. Statement of the facts
 - c. Position of the grievant
 - d. The written documents relating to Article X, Section 5 of the grievance procedure.
2. The School Board shall make a similar submission of information relating to the grievance either before or at the time of the hearing.

Subd. 5 – Hearing – The grievance shall be heard by a single arbitrator and both parties may be represented by such persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing denovo.

Subd. 6 – Decision – The decision by the arbitrator shall be rendered within 30 days after the close of the hearing. Subd. 7 – Expenses – Each party shall bear its own expenses in connection with arbitration including expenses relating to the party's representative, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party. The party making the request shall bear the expense of the transcript or recording. The parties shall equally share fees and expenses of the arbitrator and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration.

Subd. 8 – Jurisdiction – The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written agreement; nor shall an arbitrator have jurisdiction over any grievance and arbitration procedure as outlined herein; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include but are not limited to such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel. In considering any issues in dispute, in its order the arbitrator shall give due consideration to the statutory rights and obligations of the public School Board to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.

Section 9 – Election Of Remedies And Waiver

A party instituting any action, proceeding or complaint in a federal or state court of law, or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this Article. Upon instituting a proceeding in another forum as outlined herein, the employee shall waive the right to initiate a grievance pursuant to this Article or, if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived. This section shall not apply to actions to compel arbitration as provided in the Agreement or to enforce the award of an arbitrator.

ARTICLE XI – DEFERRED COMPENSATION PROGRAM

Subd. 1 – Service shall mean years of service wherein the employee is employed through Board of Education action on a continuous and regular basis. Board approved unpaid leaves of absence shall not be considered a break in service.

Subd. 2 – The district contribution will begin when the employee establishes participation in an eligible investment program as defined by statute. The District match cannot be accumulated on a retroactive basis if an employee elects to begin participation after the first year of eligibility.

Subd. 3 – On or any time after their second anniversary date, employees may make an initial entry into the matching tax deferred plan.

Subd. 4 – Changes to or initial entry into the plan shall occur on the first pay date following the date information is received by the Human Resources Department.

For employees electing to participate in the high deductible/HRA/VEBA option, upon retirement, the District shall contribute to an HRA/VEBA account for the employee, an amount equal to the amount they were eligible for at the time of their retirement, provided they were enrolled in the District's insurance plan prior to retirement, and elect such coverage.

Subd. 2 – Employees who begin work on or after December 1, 1997, will not be entitled to benefits provided in this Section.

This Memorandum of Understanding is entered into between Independent School District No. 834, Stillwater, Minnesota (hereinafter referred to as the "School District") and the Cafeteria Employees Organization (hereinafter referred to as the "CEO").

WHEREAS, the District and the CEO reached agreement on the terms of the 2019-2021 Master Contract in November 2019; and

WHEREAS, the Board took action to approve the CEO 2019-2021 Master Contract on December 19, 2020; and

WHEREAS, after approval of the Master Contract, it was determined that the parameters set for all employee groups would be revised to include a 1.5% salary schedule increase for the 2020-2021 school year, rather than the 1.0% salary schedule increase that had been agreed to by the CEO; and

WHEREAS, due to an 8% increase in insurance premiums for the 2020-2021 school year, rather than the 3% that had been anticipated and provided for in the CEO Master contract, the Board agreed to increased parameters to account for an 85% District contribution of the 8% premium increase; and

WHEREAS, it is the desire of the Board to provide salary and benefit increases comparable to those of other groups.

NOW THEREFORE, it is mutually agreed by and between the undersigned parties that:

1. The salary schedule will be updated to provide for a 1.5% salary schedule improvement, effective with the start of the 2020-2021 school year; and
2. The District contribution for family insurance shall be revised so as to provide a District contribution of 85% percent of the premium; and

**MEMORANDUM OF UNDERSTANDING
NUTRITION SERVICES STAFFING DURING DISTANCE LEARNING**

This Memorandum of Understanding is entered into between Independent School District No. 834, Stillwater, Minnesota (hereinafter referred to as the "School District") and the Cafeteria Employees Organization (hereinafter referred to as the "CEO").

WHEREAS, the District anticipates that, due to the COVID-19 pandemic, at some point during the 2020-2021 school year, it will be necessary to shift to a Distance Learning model; and

WHEREAS, the implementation of a Distance Learning model may take place by building, by level (elementary or secondary), or district-wide; and

WHEREAS, at such time as the District makes a shift to a Distance Learning model, it is anticipated that it will be necessary to temporarily reduce the number of nutrition services employees; and

WHEREAS, Article XIII (Employment Practices), Section 5 (Reduction in Staff), of the CEO Master Contract (hereinafter "Contract"), define the process through which staff reductions will occur; and

WHEREAS, the Contract does not currently contain a provision allowing an employee to elect to become temporarily unemployed in order to avoid the layoff of another employee due to lack of work; and

WHEREAS, Article VI (Compensation), Section 6 (Overtime), Subd. 3 states "Employees working on Saturdays, Sundays and holidays, or after 5pm on weekdays will be paid at the rate of time and one half;" and

WHEREAS, both the District and the CEO share an interest in providing meals to as many families in our community as possible; and

WHEREAS, both the District and the CEO acknowledge that the COVID-19 pandemic creates circumstances that are anticipated to be temporary in nature, and as such, call for creative and temporary solutions; and

WHEREAS, it is a mutual goal of the District and the CEO, to protect positions and benefits, and retain employment, for as many nutrition services employees as possible.

NOW THEREFORE, it is mutually agreed by and between the undersigned parties that:

1. As a temporary solution, during the 2020-2021 school year, the following shall apply:
 - a. Reductions in staffing shall be done by seniority, as defined in Article XIII, Section 5, of the Contract. In an effort to keep as many employees benefit eligible as possible, the hours for employees who currently work more than 30 hours per week may be reduced, however in no case shall they be reduced to less than 30 hours per week; and
 - b. Article VI, Section 6, Subd. 3, which currently provides pay at the rate of time and one half for hours worked after 5 p.m. or on weekends, shall be suspended and employees will receive their regular rate of pay for hours worked during such times when preparing or distributing meals to families.

- c. Nutrition services employees shall be allowed to temporarily reduce their hours and shall retain rights to their regularly scheduled hours at such time as the District returns to a hybrid or other in-person instructional model; and
 - d. Nutrition services employees may elect a temporary layoff, if doing so prevents the layoff of another employee due to lack of work. Such election may only be made during such time as the District is in a Distance Learning model. The District will provide required documentation under Minnesota Statute, however, does not guarantee, or have responsibility, as it relates to an individual meeting all other benefit eligibility requirements for unemployment insurance benefits.
2. At such time as the District returns to a hybrid or other in-person instructional model, nutrition services employees shall "snap back" to the positions for which they were employed on November 1, 2020. If the District has not returned to a hybrid or other in-person instructional model before the spring posting process, the starting point for the staffing process shall be based on staff assignments in place on August 1, 2020.
