

## 5-Day Boarder Weekend Stay Policy 2021-2022

---

The Academy understands that there may be occasions when a 5-day boarder wishes to stay in the dorm on the weekend. Therefore, 5-day boarders will be allowed to stay in the dorm on any weekend night during the school year for an additional fee. The fee includes dinner and brunch the following morning and will be charged to the student account. ***Students must complete the weekend request process (with parental permission) via the REACH App by Thursday noon to the Dean's Office to be eligible to stay overnight on that upcoming weekend.***

### **Weekend Nightly Rate 2021-2022 School Year: \$40.00**

The \$40 fee does not include any costs associated with activities such as field trips which are included in the 7-day boarding fee. The additional cost of participation in any such activity may be billed to the student account.

No fee will be charged for a weekend overnight stay for 5-day boarders who require weekend boarding in order to participate in school-sanctioned events such as athletics or academic testing. Students who are not charged a fee in order to stay in the dorm will be charged for meals in the dining hall. Please note that in order to be eligible for a fee waiver for a weekend night stay for a school-sanctioned event, the event or travel for the event must occur no later than 1 p.m. on the following day.
