Introduction:

This policy statement sets out how education providers will be given access to students in order to give information about their education/training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil Entitlement

All Pupils in Yr8-13 are entitled:

To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.

To hear from a range of local providers about the opportunities they offer including technical education and apprenticeships – through option events, assemblies and group discussions and taster events.

To understand how to make applications for the full range of academic and technical courses.

Management of provider access requests:

Procedure

A provider wishing to request access should contact Mr Neil Stoddart on 01788 840600 or Email Neil.Stoddart@biltonmail.com

Opportunities for access

A number of events, integrated into the school's career programme, will offer providers an opportunity to come into school to speak to pupils and/or their parent/carers. Please see Bilton School's Careers Plan for dates.

Bilton School will promote local provider Open days and events on the school's social media platforms.

Providers are welcome to leave a copy of their prospectus and other relevant course literature to be displayed in the Bilton School Careers Hub, where students have access before, during and after school.
