

### Parent and Student Handbook Agreement Form

To facilitate our work together, please review the philosophy, guidelines, policies, and procedures in the *Parent and Student Handbook*. You will find helpful information about the policies and procedures of the School as well as "Standards of Conduct" which the School expects from its students.

We ask that parents and students read and discuss this handbook together, sign the form below, and **return it to your child's homeroom teacher by the first day of school.** One form should be submitted for each student enrolled in Providence.

Thank you again for your cooperation. We value your trust in us and will seek to labor faithfully under the Lord's direction to continue to provide quality education.

### Agreement

I have read the *Parent and Student Handbook*. I understand the philosophy, rules and procedures detailed in it and I agree to abide by them.

I agree to fully support the faculty, staff, and administration in their roles as leaders of the school, and I will not undermine or hinder their work by my communications or actions.

I agree to present my school concerns or issues directly to the person with immediate responsibility, and to follow the chain of authority to the appropriate supervisor if the matter is still unresolved, thereby upholding the standards of Matthew 18:15.
