Thank you Englewood CLDE!

I'm grateful to have been given the opportunity to serve as the District Culturally and Linguistically Diverse Education TOSA these past three years, and ELD Teacher at EMS for five years. It has been rewarding to bring together district leadership, teachers, and families to advocate for the needs of our multilingual learners. I will be leaving Englewood Schools, and continue to serve school districts in a new position with the State of Colorado. I know that the outstanding Englewood CLDE team will provide support for our multilingual learners, and continue to advocate for their inclusion in district policies, and school-wide practices. I am hopeful that Englewood Schools will continue to improve its service of our diverse community. Thank you for your dedication to our students and their families!

With much gratitude,

Lorenzo Moreno
