

# Spring Branch Virtual Academy

## Course Offerings 2021-2022 High School

We are excited to offer a wide variety of courses for students attending our SBISD Virtual Academy. While we are not able to offer every course available at our comprehensive high schools, students will find all core and many elective classes to meet their high school goals.

After enrollment in the Virtual Academy, students will be asked to update their course selection for the 2021-2022 school based on the course list below. The SBISD Virtual Academy will offer the following courses:
