(LOCAL)

The Board shall approve and periodically review the District's vision, mission, and goals to improve student performance. The vision, mission, goals, and the approved District and campus objectives shall be mutually supportive and shall support the state goals and objectives under Education Code, Chapter 4. [See AE]

District Improvement Planning Process

The District's planning process to improve student performance includes the development of the District's educational goals, the legal requirements for the District and campus improvement plans, all pertinent federal planning requirements, and administrative procedures. The Board shall approve the process under which the educational goals are developed and shall ensure that input is gathered from the District-level committee. [See BQA]

Parent and Family Engagement Plan

The Board shall ensure that the District and campus improvement plans, as applicable, address all elements required by federal law for receipt of Title I, Part A funds, including elements pertaining to parent and family engagement. The District-level and campus-level committees shall involve parents and family members of District students in the development of such plans and in the process for campus review and improvement of student academic achievement and campus performance. [See EHBD]

Administrative Procedures and Reports

The Board shall ensure that administrative procedures are developed in the areas of planning, budgeting, curriculum, staffing patterns, staff development, and school organization; adequately reflect the District's planning process; and include implementation guidelines, time frames, and necessary resources. The District-level and campus-level committees shall be involved in the development of these procedures. [See BQA and BQB]

The Superintendent shall report periodically to the Board on the status of the planning process, including a review of the related administrative procedures, any revisions to improve the process, and progress on implementation of identified strategies.

Evaluation

The Board shall ensure that data are gathered and criteria are developed to undertake the required biennial evaluation to ensure that policies, procedures, and staff development activities related to planning and decision-making are effectively structured to positively impact student performance.

District Education Improvement Council	<p>In compliance with law, the District shall establish a District education improvement council (District-level committee) to advise the Board or its designee in establishing and reviewing the District improvement plan [see BQ], as well as the District's educational goals, performance objectives, and major District-wide classroom instructional programs.</p> <p>The committee shall approve District-wide staff development. [See DMA]</p>
Board's Designee	<p>The Superintendent shall serve as the Board's designee and shall regularly consult with the committee.</p>
Meetings	<p>The chairperson of the committee shall set its agenda and shall schedule at least two meetings per year, including the public meeting required by law.</p>
Communications	<p>The Superintendent shall ensure that the District-level committee establishes communication strategies to periodically obtain broad-based community, parent, and staff input and provide information to those persons regarding the recommendations of the committee.</p>
Composition	<p>The committee shall be composed of members who shall represent campus-based professional staff, District-level professional staff, parents, businesses, and the community. When practicable, professional staff representation shall include a representative with the primary responsibility for educating students with disabilities. For purposes of this policy, District-level professional staff shall be defined as professionals who have responsibilities at more than one campus, including, but not limited to, central office staff.</p>
Selected Representatives	<p>Parent, community member, and business representatives shall be selected in accordance with this policy and administrative regulations.</p>
<i>Parents</i>	<p>The committee shall include at least two parents of students currently enrolled in the District. The Superintendent shall, through various channels, inform all parents of District students about the committee's duties and composition and shall solicit volunteers.</p>
<i>Community Members</i>	<p>The committee shall include at least two community members selected by a process that provides for adequate representation of the community's diversity. The Superintendent shall use several methods of communication to ensure that community residents are informed of the committee and are provided the opportunity to participate and shall solicit volunteers. Community representatives must reside in the District.</p>

the community's diversity. The Superintendent shall use several methods of communication to ensure that area businesses are informed of the committee and are provided the opportunity to participate and shall solicit volunteers. Business representatives need not reside in nor operate businesses in the District.

**Professional Staff
Elections**

Professional staff representatives shall be nominated and elected in accordance with this policy and administrative regulations.

Classroom teacher representatives shall comprise at least two-thirds of the total professional staff representation on the committee and shall be nominated and elected by all classroom teachers assigned to each respective campus.

At least two campus-based nonteaching professional representatives shall be nominated and elected from randomly selected campuses by all professional staff.

At least two District-level professional representatives, other than the Superintendent, shall be nominated and elected by the District-level professional staff.

An employee's affiliation or lack of affiliation with any organization or association shall not be a factor in either the nomination or election of the employee to the committee. [See DGA]

A nominee must consent before the person's name may appear on a ballot. Election of the committee shall be held at a time determined by the Board or its designee.

Terms

All representatives shall serve staggered two-year terms and shall not be limited as to the number of consecutive terms they may serve on the committee.

Vacancy

A vacancy during a term shall be filled for the remainder of the term by election or selection as appropriate for the category.

Site-Based Decision-Making Committees

In compliance with law, each campus shall establish a site-based decision-making committee to ensure that effective planning and site-based decision-making occur to direct and support the improvement of student performance for all students. The committees shall assist the principal, as the Board's designee, in establishing and reviewing the goals, performance objectives, and major classroom instructional programs of each campus.

Each committee shall assist with the development, evaluation, and revision of the respective campus improvement plan and shall approve campus staff development needs identified in the campus improvement plan [see BQ and DMA].

Meetings

The principal shall be responsible for the agenda and shall schedule at least two meetings per year, including the public meeting required by law.

Communications

Each principal shall ensure that the campus-level committee establishes communication strategies to periodically obtain broad-based community, parent, and staff input and provide information to those persons regarding the recommendations of the committee.

Composition

The committee shall be composed of members who shall represent campus-based professional staff, District-level professional staff, parents, businesses, and the community. When practicable, professional staff representation shall include a representative with the primary responsibility for educating students with disabilities. Selected Representatives

Parent, community member, and business representatives shall be selected in accordance with this policy and administrative regulations.

Parents

The committee shall include at least two parents of students currently enrolled in the District. The principal shall, through various channels, inform all parents of campus students about the committee's duties and composition and shall solicit volunteers.

Community Members

The committee shall include at least two community members selected by a process that provides for adequate representation of the community's diversity. The principal shall use several methods of communication to ensure that community residents are informed of the committee and are provided the opportunity to participate and shall solicit volunteers. Community representatives must reside in the District.
