Y12-Y13 Volunteering Opportunities at Space 4 Autism

Space 4 Autism are looking for energetic, enthusiastic volunteers to work with children and young people with autism at their social clubs. At the social clubs, the children and young people take part in a variety of activities designed to increase their independence and social interaction skills. It would be a great experience for everyone but is particularly relevant if you are thinking of working in education or health and social care.

For more information about Space 4 Autism, please take a look at their website <https://space4autism.com/>

If you are interested, please email Amy Warrington (amy@space4autism.org) with a brief description of why you are interested in volunteering.

Y9 – Y13 Virtual Work Experience

Many pupils are now starting to look for work experience placements. Most are online and there are some amazing opportunities. As well as contacting employers directly, placements can be found on websites like Springpod <https://www.springpod.co.uk/virtual-work-experience-programmes>

Unifrog have also added over 150 virtual work experience placements (free and paid) to the Special Opportunities tool on the Student homepage. To find all the virtual WEX opportunities, select 'Online/Worldwide':

Select up to 10 subject areas you are interested in and click through to the longlist. From here, you can create a shortlist of up to 10 opportunities. Your shortlist gives you information about what to expect from the placement and how to apply for it.
