**Project**

**MAY 3RD THROUGH 7TH**

To celebrate Children's Book Week, Brown Elementary is hosting a One School, One Book project. All students in grades K-5, whether attending school in-person or remotely, will be reading *Outside, Inside* by LeUyen Pham and participating in corresponding activities.

**STORYWALK®**

Families and community members can join in on the fun by enjoying the *Outside, Inside* StoryWalks® displayed on the fence at Brown Elementary or by the playground at Brickhill. The StoryWalks® will be on display from Monday, May 3rd through Friday, May 14th. The StoryWalk® at Brown is only open to the public after school hours.

**KINDNESS ROCKS**

Kindness does rock, so the students and staff will be painting kindness rocks to help spread joy throughout the community. The rocks will be placed outside of Brown and Brickhill when they are complete. Feel free to take a rock or leave one of your own (non-toxic paint please) for someone else to enjoy.
