# CROWN POINT HIGH SCHOOL

---

Dear Parents and Guardians,

On behalf of Crown Point High School and our outstanding Advanced Placement staff, I would like to welcome you to the 2020-2021 school year! We are both honored and privileged to have the opportunity to work with your students this year. We take great pride in helping students earn college credit by achieving a “3” or higher on their subject-specific AP Exam. Nevertheless, these exams do carry a financial responsibility. As the AP Coordinator for Crown Point High School, I wanted to reach out and explain the cost associated with your student’s AP Exam.

**You are receiving this letter because your student is enrolled in an AP course which carries an exam fee.**

**The AP courses which carry a financial responsibility are:**

- AP Art History
- AP Art and Design
- AP French Language and Culture
- AP German Language and Culture
- AP Human Geography
- AP Microeconomics
- AP Psychology
- AP Spanish Language and Culture
- AP US Government and Politics
- AP United States History
- AP Latin

**Since your student is enrolled in one of the classes above, I wanted you to be aware that there will be a \$95.00 exam fee which will need to be paid by May 1, 2021.** NOTE: Exam fees will eventually be visible in RDS Parent Access; however, they will not be visible until April 1, 2021. We appreciate your patience.

**This year students will register themselves for their exams.** For both virtual and in-person students this will take place with the help of their teachers. If you are comfortable with your student taking their AP exam as well as the potential exam fee responsibility, then no further action is necessary.

**➔ If you do not want your student to register for their AP Exam, please reach out to both their AP teacher as well as myself.** You can reach me by phone (219) 663-4885 EXT 11016 or email ([vbauters@cps.k12.in.us](mailto:vbauters@cps.k12.in.us)).

We must finalize all exam orders by November 13, 2020. Once again, if you would like to make any change in your student’s exam status please reach out before these deadlines.

Thank you for trusting our talented staff to work with your student and help them to earn college credit by scoring a “3” or better on their AP Exam. We anticipate another amazing school year!

Sincerely,  
Vince Bauters
