

Skyward Family Access

Providing families with access to their child's school information over the Internet, anywhere, anytime!

What is Family Access?

FAMILY ACCESS . . .

- ◆ Is a free, web-based tool parents can use to **view** grades and other information.
- ◆ Can be used from any computer connected to the Internet.
- ◆ Is available even when teachers and administrators are not.
- ◆ Is secure; parents may view only the student information for their household.
- ◆ Is easy to use. Simply click on the description for the information you would like to view.
- ◆ Lasts until your child graduates from High School.

WHAT YOU'LL BE ABLE TO SEE

- 1** Grades
- 2** Assignments
- 3** Report Cards
- 4** Attendance
- 5** Class Schedule
- 6** Emergency Contact/Student Information
- 7** Discipline
- 8** And More!

How Do I Sign Up For Family Access?

You will need to complete a Family Access Enrollment Form. Only one form is required per guardian. If you have more than one child, it doesn't matter at which school you choose to submit the enrollment form. When you turn in your completed Family Access Enrollment Form, campus technology staff will verify the information and you will receive your login and password. Login and password information will only be given to guardians with picture ID. This is to verify that access is given to the correct person.

"You're Child, You're Access!"

Where do I find the Family Access Enrollment Form?

The Family Access Enrollment Form is available online at <http://www.lockhartisd.org> under the 'Parents' link for your convenience. You may also pick up a copy of the form at your child's school's office.

CONTACT YOUR CHILD'S CAMPUS FOR MORE INFORMATION
