

High School Scholars Program at Middlesex County College

In order to provide students with options to acquire the State graduation requirement of five (5) credits in Visual and Performing Arts (VPA) and five (5) credits in 21st Century Life and Careers (CLC), after obtaining pre-approval from their school counselor, students will be able to register and attend courses at Middlesex County College. Students will receive 2.5 Edison credits for each 3 credit MCC course. Students should check with the college for the time and days the courses are offered. Classes are Pass/Fail on the Transcript but the grade appears in the comment section of the transcript.
