**5. Parent and Community Relations (Provide additional opportunities to recruit, retain, and engage parents and community members)**

## **THE STATE OF TEXAS PUBLIC EDUCATION MISSION AND ACADEMIC GOALS**

**The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and the future in the social, economic, and education opportunities of our state and nation.**

**That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family; and that parental involvement in the school is essential for the maximum educational achievement of a child.**

## **THE STATE OF TEXAS PUBLIC EDUCATION GOALS**

**GOAL #1: The student in the public education system will demonstrate exemplary performance in the reading and writing of the English language.**

**GOAL #2: The students in the public education system will demonstrate exemplary performance in the understanding of mathematics.**

**GOAL #3: The students in the public education system will demonstrate exemplary performance in the understanding of science.**

**GOAL #4: The students in the public education system will demonstrate exemplary performance in the understanding of social studies.**

# **Vision**

## **Brownsville ISD Strategic Objectives from Five-year Strategic Plan:**

- All students will graduate.
- All students will meet and/or exceed state and national standards of achievement.
- All students will graduate college ready and prepared to excel in their respective career choices.
- All students will become productive, responsible and contributing members of society.

## **THE STATE OF TEXAS PUBLIC EDUCATION CHAPTER 4 OBJECTIVES**

**OBJECTIVE 1: Parents will be full partners with educators in the education of their children.**

**OBJECTIVE 2: Students will be encouraged and challenged to meet their full educational potential.**

**OBJECTIVE 3: Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma.**

**OBJECTIVE 4: A well-balanced and appropriate curriculum will be provided to all students. Through that curriculum, students will be prepared to succeed in a variety of postsecondary activities, including employment and enrollment in institutions of higher education. (expanded 2017)**

**OBJECTIVE 5: Educators will prepare students to be thoughtful, active citizens who have an appreciation for the basic values of our state and national heritage and who can understand and productively function in a free enterprise society. (added 2017)**

# Comprehensive Needs Assessment

Revised/Approved: May 18, 2020

## Needs Assessment Overview

The Brownsville Independent School District (BISD), encompassing 95 square miles, is the largest employer south of San Antonio, Texas. Approximately 6,800 employees have accepted the challenge of serving a population of about 44,000 students. BISD recognizes and addresses the unique cultural lifestyle of South Texas with a broad selection of academic activities and programs for all students. These programs range from Early College High Schools and P-TECH campuses to support programs for students with special needs. Limited English speaking students are served through the Bilingual or English as a Second Language programs. There is significant pride in the progress BISD has made in recent years with regard to state-mandated testing. Better scores have translated into more seniors fulfilling degree requirements and graduating career-ready and college-connected. Academically, both the Southern Association of Colleges and Schools and the Texas Education Agency have accredited Brownsville public schools.

Brownsville ISD has made continuous overall improvement since the 2012-2013 school year. The number of Public Education Grant identified campuses has decreased from six to none over the past several years and BISD has never had more than one campus per year under the Texas Accountability system rated as Improvement Required since 2013 and this year has none rated overall D or F. The areas of the table below highlighted in green indicate an increase over the 2018 Accountability Ratings. Some of the change in relative performance is due to the revised Economically Disadvantaged calculation that changed the district's percentage from 95.8% down to 88.5%.

For 2019-2020, BISD campuses are rated A, B, or C overall in the new TEA Accountability system. BISD has joined Cohort 2 of the Texas Education Agency System of Great Schools to be able to benefit from the supports offered to accelerate the availability of high quality seats for all BISD students. The following table provides the BISD 2019 Accountability Ratings Overall Summary with the district's letter rating. For more specific student performance information, please refer to the TEA 2019 Accountability information at <https://rptsvr1.tea.texas.gov/perfreport/account/2019/srch.html?srch=C>

# Demographics

## Demographics Summary

The Brownsville Independent School District (BISD), encompassing 95 square miles, is the largest employer south of San Antonio, Texas. BISD has over 2,900 teachers and over 600 instructional aides providing instruction to our 45,535 students based on 2018-2019 TAPR data. BISD's student population is over 98% Hispanic, 95.8% economically disadvantaged, 32.5% English Learners (almost all Spanish), and has 66.9% of our students identified as At-Risk based on state criteria. BISD serves over 11,000 students through Special Education, Dyslexia, and 504 services based on individual needs. Almost 90% of BISD teachers are Hispanic and 98% have at least a Bachelor's degree and are highly qualified under the Every Student Succeeds Act (ESSA).

BISD is an integral part of the Brownsville community and refuses to allow the status of Brownsville as one of the poorest cities of its size in the United States to have a negative impact on the education of our students. BISD is very aware that we are no longer the only provider of education in Brownsville and continues to strive to ensure that we are still the "Best Choice" for local students. BISD offers universal feeding under Provision 2 for all students that includes breakfast, lunch and dinner as well as a summer feeding program. Our students are provided with health services at every campus that include periodic health screenings by the campus's licensed nurse or registered nurse.

## Demographics Strengths

Despite being a high poverty area (one of the poorest cities in the United States), Brownsville and the school district are respected for not "acting" poor. The district and community work diligently to make sure students come first and have a wide range of opportunities to use to advance out of poverty through education. Although the latest available data indicates that less than 25% of area adults have higher education degrees, BISD graduated over 90% of the students in the Class of 2018 within four years and over 95% of those graduated on the regular or advanced plans.

The BISD 2018-2019 ESSA Equity Plan Committee ranked campuses based on poverty levels and minority percentages. The committee examined the following campus data from 2016-2017 and 2017-2018: percentage of teachers with 0-2 years of experience, percentage of teachers teaching out of field based on emergency certifications, T-TESS Evaluations overall ratings, student attendance, all subject/all grade failure rates, all subject/all grade STAAR/EOC passing rates, and other area information. When comparing the top quartiles based on minority and/or poverty percentages, the committee did continue to find some gaps but noted that the district has significantly smaller gaps than the State of Texas.

The pre-kindergarten programs for three- and four-year-old students continues to expand, especially in offering full day programs at almost all BISD elementary campuses. In 2019-2020, the Extended Day Enrichment Program (EDEP) continued to be offered at all elementary campuses providing academic services along with supper to address the need of families to have a safe and educational setting for young children during the week. On average, over 3,400 students participate daily afterschool in this program throughout the school year in addition to the several thousand attending accelerated instruction to provide tutorials for struggling learners. Unfortunately, the program was not able to be continued due to the COVID-19 "Closed--Instructing" situations and will be on hold until it can be offered safely in the 2020-2021 school year.

## **Need Statements Identifying Demographics Needs**

**Need Statement 1 (Prioritized):** Need to increase enrollment and retention of students at all grade levels. **Data Analysis/Root Cause:** District enrollment numbers have continued to decline over the past eight years.

**Need Statement 2 (Prioritized):** Need to increase attendance for students and teachers and improve school climate. **Data Analysis/Root Cause:** District attendance showed a continuing decline in student and teacher attendance during Fall 2019.

**Need Statement 3 (Prioritized):** Need to increase supports for student and family access to physical and mental health as well as nutritional supports. **Data Analysis/Root Cause:** Additional state requirements and district student and employee data indicate need.

**Need Statement 5 (Prioritized):** Need to increase community and business stakeholders in supporting district-wide access to technology and communication resources. **Data Analysis/Root Cause:** District surveys and outreach from stakeholders supports this need.

**Need Statement 6 (Prioritized):** Need to increase marketing and outreach to community stakeholders through paper, TV, social media and other available means. **Data Analysis/Root Cause:** District surveys of needs and board directives support this as a priority need.

# Student Learning

## Student Learning Summary

During the 2019-20 school year, the Curriculum and Instruction Department provided support to district instructional staff in the areas of ELA, Math, Social Studies, Science, Early Childhood, and Physical Education / Health. Through the analysis of data using Tango software, Eduphoria, TEA summary reports, and various surveys, district and campus needs were identified and then ranked by the DEIC membership in May of 2020.

**BISD and Texas STAAR/EOC Data for 2017-2019 from TAPR Reports--no STAAR/EOC Data is available for Spring 2020 due to COVID 19 cancellation of State Assessments.**

The entire BISD 2019 TAPR report is attached as an addendum to this plan. There will not be any Spring 2020 state assessment data available due to the COVID-19 pandemic; however, BISD plans to participate in the beginning of year TEA provided diagnostic assessments as well as offer additional assessments to use as baselines for instructional progress monitoring during this school year.

## Student Learning Strengths

In 2018-2019 and most of 2019-2020, a major factor contributing to district strengths continued to be the consistency in professional development opportunities across core areas supported on campus and in classrooms. Walkthroughs and observations showed the implementation of the strategies acquired during the staff developments. Other academic strengths included:

1. Frequent visitation of classrooms, involving modeling, coaching, and providing instructional support ensured constant monitoring of classroom instruction based on the diverse needs of the campus.
2. Collaboration of district and campus staff in analyzing of assessment data was critical to student outcome.

3. Expansion of early childhood programs
4. STEM curriculum required the implementation of project-based learning at all middle schools and introduced 6 cluster STEAM Academies at selected elementary campuses.
5. Co-curricular and extra-curricular activities such as History Fair, Science Fair, Destination Imagination, Brainsville, STEM activities, Coding, Career and Technical CTOs, and Fine Arts were offered to BISD students to help keep them engaged and be able to apply experiences beyond the classroom, campus and district.

### **Need Statements Identifying Student Learning Needs**

**Need Statement 1 (Prioritized):** Need to improve reading/literacy skills at all levels and all content areas and writing across the curriculum. **Data Analysis/Root Cause:** 2019 STAAR/EOC showed that reading/writing were still lowest performance areas overall for BISD students.

**Need Statement 2 (Prioritized):** Need to increase availability of quality technology, software, and internet access for students, faculty and staff. **Data Analysis/Root Cause:** District surveys for availability and access from 2019 and Spring 2020.

**Need Statement 3 (Prioritized):** Need to decrease academic achievement gaps, and dropout rates, and increase completion rates and graduation rates for all subpopulations. **Data Analysis/Root Cause:** Continued gaps seen between sub-populations and ALL students in all content areas and other accountability indicators (refer to accountability reports)..

**Need Statement 4 (Prioritized):** Need to increase availability and supports for the primary district instructional models and platforms for online, at-home, hybrid, blended, and/or face-to-face instruction. **Data Analysis/Root Cause:** District staff and accessibility surveys indicate need to narrow the focus and ensure training and supports for implementation.

**Need Statement 5 (Prioritized):** Need to increase availability of personalized professional learning for faculty, staff, administration and parents, especially in the area of integration of technology including by district staff, online and face-to-face opportunities. **Data Analysis/Root Cause:** District staff and accessibility surveys indicate need to increase training and supports for implementation of online and blended instruction.

**Need Statement 7 (Prioritized):** Need to increase staff in high needs areas for instruction based on programmatic requirements and performance (Class-size reduction, Special Education, grant-based, and other areas). **Data Analysis/Root Cause:** Student performance gaps continue for students identified as At-Risk or for program services including Bilingual/ESL, Special Education and 504/Dyslexia.

**Need Statement 8 (Prioritized):** Need to increase STEM/STEAM-related instruction, resources, and student opportunities at all grade levels. **Data Analysis/Root Cause:** Walkthroughs and informal feedback continue to show that the programs are not fully implemented in all participating school classrooms.

**Need Statement 9 (Prioritized):** Need to provide supplemental instructional supplies and resources to address increased demands for varied instructional models or new program requirements. **Data Analysis/Root Cause:** Survey data and informal feedback indicate that additional resources still need to be provided to reach all students.

**Need Statement 10 (Prioritized):** Need to increase real-world learning integration especially through CTE programs and improve engagement of business and industry stakeholders. **Data Analysis/Root Cause:** Research and stakeholder feedback indicate that additional resources still need to be provided to reach all students.

**Need Statement 11 (Prioritized):** Need to increase supplemental services for struggling and highly able learners using appropriate services. **Data Analysis/Root Cause:** Student performance gaps continue for students identified as At-Risk or for program services including Bilingual/ESL, Special Education and 504/Dyslexia.

# District Processes & Programs

## District Processes & Programs Summary

The BISD Board of Trustees approved the district and campus early childhood and college/career readiness goals in Spring 2020 to monitor progress over the next five years. All campus and district staff collaborate to insure the students have access to all needed resources and supports to be academically successful and be prepared to graduate and enter college and/or pursue a career. BISD has continued restructuring and relocating of departments over the past few years to strengthen the communication and collaboration between and among related departments and programs. Beginning with the 2016-2017 school year, area administrators started working with strategically chosen campuses instead of clusters; however, with in January 2019, the district reverted to cluster-based leadership at the Assistant Superintendent level. In part this was to ensure that strong campuses within the clusters worked more closely with their peer campuses that were not as strong and also to better support the vertical alignment within the 6 feeder patterns.

In the Curriculum Department, each respective content area developed, implemented, and monitored district frameworks that reflected research-based strategies and best practices. All core content areas conducted grade-level, department, chairperson meetings, content clinics, and on-campus/in-classroom professional development. The Fall and Spring Literacy Conferences focused on raising the district performance on all state assessments by supporting literacy strategies across the curricula. Furthermore, Curriculum and Instruction conducted campus monitoring through meeting with administrators, planning with teachers, classroom observations with feedback, and through district assessments.

### English Language Arts

The district compiled an Action Plan for ELA in the summer 2017 that is to continue to be implemented for 2018-2019 through strategies included in the current District Improvement Plan. The ELA Action Plan provides guidelines for the implementation of the ELA Plan created in the summer of 2016 with the key strategies, activities, and monitoring actions that are needed to take place at each level. The documents also identified key personnel for following up on the implementation. Reading initiatives for 2018-2019 again included a Fall and Spring Literacy Conference to support literacy across grade levels and content areas.

Fiction and non-fiction literature was expected to be used as the basis for not only reading but writing throughout the district at all appropriate grade levels. In the area of writing, the major activities for 2018-2019 were the continuation of the “Dr. Kay” strategies for all teachers of core content areas at elementary and secondary levels. The district established the Edgenuity software as the basis for all credit recovery classes at the secondary level as well as supports for retesting for EOCs and TSI preparation.

### Mathematics

The main activities for elementary math teachers were focused on professional learning communities with representation from each campus and on-campus/in-campus supports based on specific needs identified by campus leadership. Secondary math teachers were provided sustained professional development through department meetings and co-planning on campus and in-classroom activities.

### Science

Teachers from both middle school and high school were also given the opportunity to participate in literacy strategy trainings that were provided by trainers from CPO, Vernier, Coach, Cut Ups, and Summit k12. The purpose of the trainings was to implement literacy strategies during laboratory activities in the classroom.

### Social Studies

Social Studies professional development sessions continued to focus on interdisciplinary planning and instruction to sustain and strengthen social studies at the elementary level. At the secondary level, trainings continued to support the integration of primary sources, sheltered instruction, and additional intervention strategies.

### Technology

The Technology Services Department provides support to all district wide campuses and offices for computing, networking, web services, and enterprise Technology systems. Our responsibilities include the following areas: Instructional Technology, Technology Training, Network, Voice/Data/Internet Systems, and more. Our technology department team is responsible for the management of the infrastructure throughout our school district.

### **District Processes & Programs Strengths**

Brownsville ISD has been successful in improving its implementation of a wide-range of academic programs and providing supports through a number of programs including Special Education, Bilingual/ESL, Dyslexia, 504, At-Risk, Migrant, Early College High School/Dual Enrollment, and Career and Technical Education (CTE) including P-TECH programs. District departments provide funds and personnel supports to students and campuses. Curriculum area departments have staff that go on to campuses and into classrooms to conduct walkthroughs and observations. Using information from these practices and other available data, staff conduct professional development activities including synchronous and asynchronous trainings, modeling, coaching, and more.

The BISD Guidance and Counseling services include supports for high school students to be strong academically as well as socially and emotionally. BISD has a strong Police and Security Services Department that supports safety around the district with officers as well as planning and, if needed, implementation of Emergency Operation Plans. BISD's Health Services Department staff have been able to return over 90% of students to classes after screening for health concerns as well as provide specific health screenings to all students. The district also implements a very successful Fine Arts program offering Band, Choir, Visual Arts, Dance, and Estudiantina programs at many grade levels. Physical Education and sports are also a major programmatic component providing options for students to improve their health and well-being. Our students continue to excel in a very wide range of co-curricular and extra-curricular programs and competitions. Although the COVID-19 pandemic caused a halt to many competitions, the district believes that these are important opportunities for our students.

The Parent and Community Engagement Department offers supports for parents and other stakeholders including training opportunities, volunteer opportunities, and community engagement sessions. The Migrant program implements the CAMP programs for identified students and conducts all federal required activities. The Migrant Program action plan can be found as an addendum to the district plan.

Federal and State funds are used to address specific needs and provide supplemental resources and supports from pre-kindergarten through Grade 12.

### **Need Statements Identifying District Processes & Programs Needs**

**Need Statement 1 (Prioritized):** Need to improve reading/literacy skills at all levels and all content areas and writing across the curriculum. **Data Analysis/Root Cause:** 2019 STAAR/EOC showed that reading/writing were still lowest performance areas overall for BISD students.

**Need Statement 2 (Prioritized):** Need to increase availability of quality technology, software, and internet access for students, faculty and staff. **Data Analysis/Root Cause:** District surveys for availability and access from 2019 and Spring 2020.

**Need Statement 3 (Prioritized):** Need to decrease academic achievement gaps, and dropout rates, and increase completion rates and graduation rates for all subpopulations. **Data Analysis/Root Cause:** Continued gaps seen between sub-populations and ALL students in all content areas and other accountability indicators (refer to accountability reports)..

**Need Statement 4 (Prioritized):** Need to increase availability and supports for the primary district instructional models and platforms for online, at-home, hybrid, blended, and/or face-to-face instruction. **Data Analysis/Root Cause:** District staff and accessibility surveys indicate need to narrow the focus and ensure training and supports for implementation.

**Need Statement 5 (Prioritized):** Need to increase availability of personalized professional learning for faculty, staff, administration and parents, especially in the area of integration of technology including by district staff, online and face-to-face opportunities. **Data Analysis/Root Cause:** District staff and accessibility surveys indicate need to

increase training and supports for implementation of online and blended instruction.

**Need Statement 6 (Prioritized):** Need to increase supports for student and family access to physical and mental health as well as nutritional supports. **Data Analysis/Root Cause:** Additional state requirements and district student and employee data indicate need.

**Need Statement 7 (Prioritized):** Need to increase parent and family engagement in supporting student learning for academic success especially for second language stakeholders and by providing different times and ways to participate. **Data Analysis/Root Cause:** Data from Parent and Student Needs Surveys and additional parent surveys shows more support and access is indicated.

**Need Statement 8 (Prioritized):** Need to increase community and business stakeholders in supporting district-wide access to technology and communication resources. **Data Analysis/Root Cause:** District surveys and outreach from stakeholders supports this need.

**Need Statement 9 (Prioritized):** Need to increase staff in high needs areas for instruction based on programmatic requirements and performance (Class-size reduction, Special Education, grant-based, and other areas). **Data Analysis/Root Cause:** Student performance gaps continue for students identified as At-Risk or for program services including Bilingual/ESL, Special Education and 504/Dyslexia.

**Need Statement 10 (Prioritized):** Need to increase STEM/STEAM-related instruction, resources, and student opportunities at all grade levels. **Data Analysis/Root Cause:** Walkthroughs and informal feedback continue to show that the programs are not fully implemented in all participating school classrooms.

**Need Statement 11 (Prioritized):** Need to increase real-world learning integration especially through CTE programs and improve engagement of business and industry stakeholders. **Data Analysis/Root Cause:** Research and stakeholder feedback indicate that additional resources still need to be provided to reach all students.

**Need Statement 12 (Prioritized):** Need to decrease disciplinary incidents, bullying, and disproportionality of students receiving supplemental program services sent to ISS, OSS, and DAEP. **Data Analysis/Root Cause:** Disciplinary data continues to indicate disproportionality , especially for secondary students.

**Need Statement 13 (Prioritized):** Need to continue stipends and extra-duty funds for additional duties, dual enrollment, and recruiting and retaining staff in high needs areas. **Data Analysis/Root Cause:** Stipends and Extra-duty funds are a programmatic strength and will continue under the 2020-2021 Compensation Plan.

**Need Statement 14 (Prioritized):** Need to initiate and pilot Teacher Incentive Allotment plans for district and improve instructional staff evaluation calibration district-wide. **Data Analysis/Root Cause:** Faulk MS and Porter ECHS are participating in TIA Cohort A and BISD will apply for participation in Cohort D during 2020-2021.

**Need Statement 15 (Prioritized):** Need to address curricular, technology, and safety/health challenges resulting from COVID 19 requirements for opening of school year. **Data Analysis/Root Cause:** Local, County, State and Federal guidelines and requirements (May 18, 2020 added by DEIC)

**Need Statement 16 (Prioritized):** Need to provide supplemental instructional supplies and resources to address increased demands for varied instructional models or new program requirements. **Data Analysis/Root Cause:** Survey data and informal feedback indicate that additional resources still need to be provided to reach all students.

# Perceptions

## Perceptions Summary

Overall, while the district continues to be considered as the “Best Choice” by many parents and guardians, the continued decreases in enrollment have been interpreted by the BISD Board of Trustees as indicating a need to do more to market the district and highlight the significant recognitions garnered by students, campuses, and programs.

Data sources included in this summary are the BISD District compilations of Parent, Staff, and Student Campus Needs Assessment Surveys for 2018-2019 through 2019-2020. BISD’s Parent Surveys for 2019-2020 had 3,415 respondents for both Elementary and Secondary (about 1,061 less than Spring 2019 participation, some campuses were not completed due to COVID-19) with 62% responding in English and 38% responding in Spanish for Elementary (same percentage as in 2018-2019) and with 58% responding in English and 42% responding in Spanish for Secondary (1% increase in English and 1% decrease in Spanish from last year).

## Perceptions Strengths

The BISD Parent Survey indicators showed that parents were slightly less satisfied overall (under 80% for 2019 versus over 80% combining "strongly agree" and "agree" for the prior year) with the special program instruction provided while over 91% were in agreement that the regular education program "does a good job of educating students." Over 98% of parents agree that BISD teachers expect their children to do their very best. For indicators relating to child safety, clean and well maintained schools, and availability of support staff for students, both English and Spanish respondents were overall in agreement (around 96%). About 65% (95% agreed) of all parents strongly agreed that they feel welcomed at their child's school. The Parental Involvement Department has identified the following as areas of strength:

1. Increased District parent participation at all levels
2. Combined strongly agree and agree statements are in the 95% range for parental support of schools and activities.
3. Over 1,800 informational parent meetings/trainings were conducted at the Campus and District level

Student survey data showed over 82% of the 10,205 elementary students who responded agree that they "Look forward to going to school each day." There was an increase from 72% of the 6,217 middle school students agreed with the statement in 2018 to 79% of the 7,569 students in 2019. In 2018, 66% of the 7,102 high school students agreed they looked forward to coming to school but this dropped slightly to 63% for 2019 of the 8,384 respondents. In response to "I think this is a good school," 78% of middle school agreed in 2018 up to 83% for 2019 while 80% of the high school students agree with the statement in 2018 dropped to slightly to 79%.

## Need Statements Identifying Perceptions Needs

**Need Statement 1 (Prioritized):** Need to increase attendance for students and teachers and improve school climate. **Data Analysis/Root Cause:** District attendance showed a continuing decline in student and teacher attendance during Fall 2019.

**Need Statement 2 (Prioritized):** Need to increase parent and family engagement in supporting student learning for academic success especially for second language stakeholders and by providing different times and ways to participate. **Data Analysis/Root Cause:** Data from Parent and Student Needs Surveys and additional parent surveys shows more support and access is indicated.

**Need Statement 3 (Prioritized):** Need to increase marketing and outreach to community stakeholders through paper, TV, social media and other available means. **Data Analysis/Root Cause:** District surveys of needs and board directives support this as a priority need.

**Need Statement 4 (Prioritized):** Need to decrease disciplinary incidents, bullying, and disproportionality of students receiving supplemental program services sent to ISS, OSS, and DAEP. **Data Analysis/Root Cause:** Disciplinary data continues to indicate disproportionality , especially for secondary students.

# Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

## **Improvement Planning Data**

- District goals
- HB3 Reading and math goals for PreK-3
- HB3 CCMR goals
- Covid-19 factors and/or waivers

## **Accountability Data**

- Texas Academic Performance Report (TAPR) data
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations

## **Student Data: Assessments**

- STAAR End-of-Course current and longitudinal results, including all versions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- SAT and/or ACT assessment data

## **Student Data: Student Groups**

- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- STEM/STEAM data
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia Data

## **Student Data: Behavior and Other Indicators**

- Completion rates and/or graduation rates data
- Annual dropout rate data
- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Class size averages by grade and subject

**Employee Data**

- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Professional development needs assessment data
- T-PESS data

**Parent/Community Data**

- Parent surveys and/or other feedback
- Community surveys and/or other feedback

**Support Systems and Other Data**

- Organizational structure data
- Capacity and resources data
- Budgets/entitlements and expenditures data

# Goals

Revised/Approved: May 18, 2020

**Goal 1:** BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens. (Board Goals 1 and 2) (TEA Ch. 4 Objectives 2, 4, 5, 7, and 11).

**Performance Objective 1:** BISD student performance for all students, all grades, all subjects will exceed 2019 STAAR/EOC Approaches, Meets, and Masters Grade Level performance in reading, writing, mathematics, science and social studies by 3 percentage points.

## HB3 Goal

**Evaluation Data Sources:** STAAR/EOC CPALLS, TELPAS and other EOY performance reports

| <b>Need Statement 1:</b> Need to improve reading/literacy skills at all levels and all content areas and writing across the curriculum. <b>Data Analysis/Root Cause:</b> 2019 STAAR/EOC showed that reading/writing were still lowest performance areas overall for BISD students. |
| <b>Need Statement 2:</b> Need to increase availability of quality technology, software, and internet access for students, faculty and staff. <b>Data Analysis/Root Cause:</b> District surveys for availability and access from 2019 and Spring 2020.                              |

## Student Learning

**Need Statement 3:** Need to decrease academic achievement gaps, and dropout rates, and increase completion rates and graduation rates for all subpopulations. **Data Analysis/Root Cause:** Continued gaps seen between sub-populations and ALL students in all content areas and other accountability indicators (refer to accountability reports)..

**Need Statement 4:** Need to increase availability and supports for the primary district instructional models and platforms for online, at-home, hybrid, blended, and/or face-to-face instruction. **Data Analysis/Root Cause:** District staff and accessibility surveys indicate need to narrow the focus and ensure training and supports for implementation.

**Need Statement 7:** Need to increase staff in high needs areas for instruction based on programmatic requirements and performance (Class-size reduction, Special Education, grant-based, and other areas). **Data Analysis/Root Cause:** Student performance gaps continue for students identified as At-Risk or for program services including Bilingual/ESL, Special Education and 504/Dyslexia.

**Need Statement 9:** Need to provide supplemental instructional supplies and resources to address increased demands for varied instructional models or new program requirements. **Data Analysis/Root Cause:** Survey data and informal feedback indicate that additional resources still need to be provided to reach all students.

## District Processes & Programs

**Need Statement 1:** Need to improve reading/literacy skills at all levels and all content areas and writing across the curriculum. **Data Analysis/Root Cause:** 2019 STAAR/EOC showed that reading/writing were still lowest performance areas overall for BISD students.

**Need Statement 2:** Need to increase availability of quality technology, software, and internet access for students, faculty and staff. **Data Analysis/Root Cause:** District surveys for availability and access from 2019 and Spring 2020.

**Need Statement 3:** Need to decrease academic achievement gaps, and dropout rates, and increase completion rates and graduation rates for all subpopulations. **Data Analysis/Root Cause:** Continued gaps seen between sub-populations and ALL students in all content areas and other accountability indicators (refer to accountability reports)..

**Need Statement 4:** Need to increase availability and supports for the primary district instructional models and platforms for online, at-home, hybrid, blended, and/or face-to-face instruction. **Data Analysis/Root Cause:** District staff and accessibility surveys indicate need to narrow the focus and ensure training and supports for implementation.

**Need Statement 9:** Need to increase staff in high needs areas for instruction based on programmatic requirements and performance (Class-size reduction, Special Education, grant-based, and other areas). **Data Analysis/Root Cause:** Student performance gaps continue for students identified as At-Risk or for program services including Bilingual/ESL, Special Education and 504/Dyslexia.

**Need Statement 16:** Need to provide supplemental instructional supplies and resources to address increased demands for varied instructional models or new program requirements. **Data Analysis/Root Cause:** Survey data and informal feedback indicate that additional resources still need to be provided to reach all students.

**Goal 1:** BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens. (Board Goals 1 and 2) (TEA Ch. 4 Objectives 2, 4, 5, 7, and 11).

**Performance Objective 2:** BISD early childhood (PK-2) performance will increase by 3 percentage points over end-of-year 2019 results.

**Targeted or ESF High Priority**

**HB3 Goal**

| <b>Need Statement 1:</b> Need to improve reading/literacy skills at all levels and all content areas and writing across the curriculum. <b>Data Analysis/Root Cause:</b> 2019 STAAR/EOC showed that reading/writing were still lowest performance areas overall for BISD students. |

### District Processes & Programs

**Need Statement 1:** Need to improve reading/literacy skills at all levels and all content areas and writing across the curriculum. **Data Analysis/Root Cause:** 2019 STAAR/EOC showed that reading/writing were still lowest performance areas overall for BISD students.

**Need Statement 6:** Need to increase supports for student and family access to physical and mental health as well as nutritional supports. **Data Analysis/Root Cause:** Additional state requirements and district student and employee data indicate need.

**Need Statement 7:** Need to increase parent and family engagement in supporting student learning for academic success especially for second language stakeholders and by providing different times and ways to participate. **Data Analysis/Root Cause:** Data from Parent and Student Needs Surveys and additional parent surveys shows more support and access is indicated.

**Need Statement 8:** Need to increase community and business stakeholders in supporting district-wide access to technology and communication resources. **Data Analysis/Root Cause:** District surveys and outreach from stakeholders supports this need.

### Perceptions

**Need Statement 2:** Need to increase parent and family engagement in supporting student learning for academic success especially for second language stakeholders and by providing different times and ways to participate. **Data Analysis/Root Cause:** Data from Parent and Student Needs Surveys and additional parent surveys shows more support and access is indicated.

**Need Statement 3:** Need to increase marketing and outreach to community stakeholders through paper, TV, social media and other available means. **Data Analysis/Root Cause** : District surveys of needs and board directives support this as a priority need.

**Goal 7:** Educators will keep current with the development of creative and innovative techniques in instruction and administration using those techniques as appropriate to improve student learning. (TEA Ch. 4 Obj. 9)

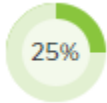

**Performance Objective 1:** Academic related professional development will improve teacher effectiveness in providing student centered instruction to meet the needs of all students, including those receiving special education, dyslexia, second language and At-Risk supports to improve academic performance and engagement as evidenced by classroom observations.

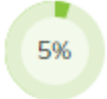

**Evaluation Data Sources:** Professional development system (PDS) session attendance and evaluation reports, Feedback/Walkthrough report data, T-TESS evaluations

## Performance Objective 1 Need Statements:

### Student Learning

**Need Statement 1:** Need to improve reading/literacy skills at all levels and all content areas and writing across the curriculum. **Data Analysis/Root Cause:** 2019 STAAR/EOC showed that reading/writing were still lowest performance areas overall for BISD students.

**Need Statement 3:** Need to decrease academic achievement gaps, and dropout rates, and increase completion rates and graduation rates for all subpopulations. **Data Analysis/Root Cause:** Continued gaps seen between sub-populations and ALL students in all content areas and other accountability indicators (refer to accountability reports)..

**Need Statement 4:** Need to increase availability and supports for the primary district instructional models and platforms for online, at-home, hybrid, blended, and/or face-to-face instruction. **Data Analysis/Root Cause:** District staff and accessibility surveys indicate need to narrow the focus and ensure training and supports for implementation.

**Need Statement 5:** Need to increase availability of personalized professional learning for faculty, staff, administration and parents, especially in the area of integration of technology including by district staff, online and face-to-face opportunities. **Data Analysis/Root Cause:** District staff and accessibility surveys indicate need to increase training and supports for implementation of online and blended instruction.

**Need Statement 8:** Need to increase STEM/STEAM-related instruction, resources, and student opportunities at all grade levels. **Data Analysis/Root Cause:** Walkthroughs and informal feedback continue to show that the programs are not fully implemented in all participating school classrooms.

**Need Statement 10:** Need to increase real-world learning integration especially through CTE programs and improve engagement of business and industry stakeholders. **Data Analysis/Root Cause:** Research and stakeholder feedback indicate that additional resources still need to be provided to reach all students.

| <p><b>Strategy 2:</b> Identify who the agents of change are at the district and school level. Kotter (1995) suggests that one of the key errors organizations make is not recruiting the right people to lead and facilitate change. Rogers (1983) identifies categories of individuals in terms of their response to innovations, suggesting that those who are both respected by others and open to trying new things should be included in the planning process, as their support is essential to the success of change efforts in an organization. Begin conversations, individual and collaborative, with these individuals, in order to establish a common set of issues to address and a sense of urgency for making changes to address them.</p> <p><b>Milestone's/Strategy's Expected Results/Impact:</b> Formative Results:<br/>           Selection of Change Leaders<br/>           Committee Agendas and Minutes<br/>           Summative Results:<br/>           Agendas<br/>           Presentation to stakeholders</p> <p><b>Staff Responsible for Monitoring:</b> Curriculum Administration<br/>           Professional Development Administration<br/>           Technology Administration</p> <p><b>Population:</b> BISD District and Campus Administration - <b>Start Date:</b> July 6, 2020 - <b>End Date:</b> June 30, 2021</p> <p><b>Need Statements:</b> Student Learning 4 - District Processes &amp; Programs 4, 15</p> | Formative   |   |     | Summative |

## Performance Objective 2 Need Statements:

### Demographics

**Need Statement 1:** Need to increase enrollment and retention of students at all grade levels. **Data Analysis/Root Cause:** District enrollment numbers have continued to decline over the past eight years.

**Need Statement 3:** Need to increase supports for student and family access to physical and mental health as well as nutritional supports. **Data Analysis/Root Cause:** Additional state requirements and district student and employee data indicate need.

### Student Learning

**Need Statement 3:** Need to decrease academic achievement gaps, and dropout rates, and increase completion rates and graduation rates for all subpopulations. **Data Analysis/Root Cause:** Continued gaps seen between sub-populations and ALL students in all content areas and other accountability indicators (refer to accountability reports)..

**Need Statement 11:** Need to increase supplemental services for struggling and highly able learners using appropriate services. **Data Analysis/Root Cause:** Student performance gaps continue for students identified as At-Risk or for program services including Bilingual/ESL, Special Education and 504/Dyslexia.

### District Processes & Programs

**Need Statement 3:** Need to decrease academic achievement gaps, and dropout rates, and increase completion rates and graduation rates for all subpopulations. **Data Analysis/Root Cause:** Continued gaps seen between sub-populations and ALL students in all content areas and other accountability indicators (refer to accountability reports)..

**Need Statement 6:** Need to increase supports for student and family access to physical and mental health as well as nutritional supports. **Data Analysis/Root Cause:** Additional state requirements and district student and employee data indicate need.

**Need Statement 12:** Need to decrease disciplinary incidents, bullying, and disproportionality of students receiving supplemental program services sent to ISS, OSS, and DAEP. **Data Analysis/Root Cause:** Disciplinary data continues to indicate disproportionality , especially for secondary students.

### Perceptions

**Need Statement 4:** Need to decrease disciplinary incidents, bullying, and disproportionality of students receiving supplemental program services sent to ISS, OSS, and DAEP. **Data Analysis/Root Cause:** Disciplinary data continues to indicate disproportionality , especially for secondary students.

**Goal 9:** Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma. (BISD Board Goal 1) (TEA Ch. 4 Obj. 3)

**Performance Objective 3:** All campuses will develop prevention and intervention strategies that increase At-Risk student achievement on STAAR by 10% over 2019 results.

**Targeted or ESF High Priority**

**Evaluation Data Sources:** STAAR/EOC reports disaggregated for At-Risk students.

### Performance Objective 3 Need Statements:

## Student Learning

**Need Statement 3:** Need to decrease academic achievement gaps, and dropout rates, and increase completion rates and graduation rates for all subpopulations. **Data Analysis/Root Cause:** Continued gaps seen between sub-populations and ALL students in all content areas and other accountability indicators (refer to accountability reports)..

**Need Statement 4:** Need to increase availability and supports for the primary district instructional models and platforms for online, at-home, hybrid, blended, and/or face-to-face instruction. **Data Analysis/Root Cause:** District staff and accessibility surveys indicate need to narrow the focus and ensure training and supports for implementation.

**Need Statement 5:** Need to increase availability of personalized professional learning for faculty, staff, administration and parents, especially in the area of integration of technology including by district staff, online and face-to-face opportunities. **Data Analysis/Root Cause:** District staff and accessibility surveys indicate need to increase training and supports for implementation of online and blended instruction.

**Need Statement 7:** Need to increase staff in high needs areas for instruction based on programmatic requirements and performance (Class-size reduction, Special Education, grant-based, and other areas). **Data Analysis/Root Cause:** Student performance gaps continue for students identified as At-Risk or for program services including Bilingual/ESL, Special Education and 504/Dyslexia.

**Need Statement 9:** Need to provide supplemental instructional supplies and resources to address increased demands for varied instructional models or new program requirements. **Data Analysis/Root Cause:** Survey data and informal feedback indicate that additional resources still need to be provided to reach all students.

**Need Statement 11:** Need to increase supplemental services for struggling and highly able learners using appropriate services. **Data Analysis/Root Cause:** Student performance gaps continue for students identified as At-Risk or for program services including Bilingual/ESL, Special Education and 504/Dyslexia.

## District Processes & Programs

**Need Statement 3:** Need to decrease academic achievement gaps, and dropout rates, and increase completion rates and graduation rates for all subpopulations. **Data Analysis/Root Cause:** Continued gaps seen between sub-populations and ALL students in all content areas and other accountability indicators (refer to accountability reports)..

**Need Statement 4:** Need to increase availability and supports for the primary district instructional models and platforms for online, at-home, hybrid, blended, and/or face-to-face instruction. **Data Analysis/Root Cause:** District staff and accessibility surveys indicate need to narrow the focus and ensure training and supports for implementation.

**Need Statement 5:** Need to increase availability of personalized professional learning for faculty, staff, administration and parents, especially in the area of integration of technology including by district staff, online and face-to-face opportunities. **Data Analysis/Root Cause:** District staff and accessibility surveys indicate need to increase training and supports for implementation of online and blended instruction.

**Need Statement 9:** Need to increase staff in high needs areas for instruction based on programmatic requirements and performance (Class-size reduction, Special Education, grant-based, and other areas). **Data Analysis/Root Cause:** Student performance gaps continue for students identified as At-Risk or for program services including Bilingual/ESL, Special Education and 504/Dyslexia.

**Need Statement 13:** Need to continue stipends and extra-duty funds for additional duties, dual enrollment, and recruiting and retaining staff in high needs areas. **Data Analysis/Root Cause:** Stipends and Extra-duty funds are a programmatic strength and will continue under the 2020-2021 Compensation Plan.

**Need Statement 16:** Need to provide supplemental instructional supplies and resources to address increased demands for varied instructional models or new program requirements. **Data Analysis/Root Cause:** Survey data and informal feedback indicate that additional resources still need to be provided to reach all students.

**Goal 9:** Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma. (BISD Board Goal 1) (TEA Ch. 4 Obj. 3)

**Performance Objective 4:** Implement a sustainable coordinated school health system that provides wellness tools and resources which promote the long-term development through student attendance and success of the whole student.

**Evaluation Data Sources:** Nurse time and effort reports show students immediate health concerns are addressed along with improved report card grades and increased student attendance rates. PAPA, CATCH, and SHAC meetings and reports.

# **Title I Schoolwide Elements**

## **ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)**

### **1.1: Comprehensive Needs Assessment**

Brownsville ISD follows a continuous improvement cycle. This means that the district is both continuously and periodically reviewing data to assess and re-assess progress towards meeting district goals and performance objectives. Campus staff, parent and student needs assessment perceptual surveys are conducted every Spring and data is aggregated to the district level to be used as part of the comprehensive needs assessment. The DEIC meets monthly and during these meetings, progress reports are made along with a full mid-year progress presentation in January on all performance areas. The membership of the DEIC includes parents, community members, business members and elected teachers and non-teaching professionals from around the entire district. This group reviews quarter 3 progress and a range of data sources (refer to data documentation section) to review existing strengths and needs to determine any changes in these areas. The committee members re-ranked needs and determined priority areas along with BISD Board priorities to complete the CNA process at the April and May DEIC meetings in 2019.

## **ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)**

### **2.1: Campus Improvement Plan developed with appropriate stakeholders**

Campus and program area needs assessments are aggregated to use in determining the needs to be addressed through the district improvement plan (see CNA information). The District Education Improvement Committee is broken into goal area subcommittees that meet with the support of program area staff to review, revise and update the prior year improvement plan. Annually the DEIC approved plan is submitted for BISD Board of Trustees approval of the district goals and performance targets. The major revisions to the 2019-2020 plan were approved by the DEIC on May 13, 2019. A complete list of the DEIC members is included as part of this plan.

### **2.2: Regular monitoring and revision**

The District Improvement Plan strategies are monitored quarterly and revised by the DEIC supported by program area facilitators as needed based on the most current data from multiple sources related to the goals and performance objectives. The plan is also revised to address any changes in Federal or State law and/or guidelines. Title funds, State Compensatory funds and non-salary local funds are included in plans, as appropriate. Updates to the plan are noted by revision dates in the specific strategies or performance objectives during the current year. The initial plan for 2019-2020 was approved by the DEIC membership on May 13, 2019.

### **2.3: Available to parents and community in an understandable format and language**

The District and Campus Improvement Plans are currently written in English and translated to Spanish upon request. The district and campuses are seeking a feasible process for getting all plans completely translated as of the summer of 2019. The plans are currently available via campus websites and in paper at every campus as well as through the District.

### **2.4: Opportunities for all children to meet State standards**

Most of the strategies for meeting State standards are found in Goal 1 which focuses on improving all instruction district-wide. The linked strategies are the major ones addressing

opportunities across the district.

## **2.5: Increased learning time and well-rounded education**

The district directs funding to all campuses to support extended day, week and summer learning time opportunities. In addition, the district has departmental staff supporting special education services, dyslexia and 504 services, Bilingual/ESL services, and Advanced Academic Services. Most of these staff work with the implementation of these programs at the campus level and monitoring compliance with program requirements.

## **2.6: Address needs of all students, particularly at-risk**

The main strategies for struggling students are found in Goal 9. These include extended learning time, additional activities for retention, dropout prevention, etc. Refer to selected strategies for key strategies.

# **ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)**

## **3.1: Develop and distribute Parent and Family Engagement Policy**

The district Parental and Community Involvement staff provide campuses with support for reviewing and revising their Parent and Family Engagement policies and activities. The district and campus staff support the distribution of the documents and ensuring that meetings are held along with any required activities.

## **3.2: Offer flexible number of parent involvement meetings**

The district staff provide campuses with guidance and support for regular scheduled weekly meetings and for additional meetings to provide opportunities at times outside of the regular school day. This district also hosts a variety of parental involvement meetings during the school year.

Item Title: Recommend approval of the House X Action  
Bill 3 Five-year Board Goals for Early Information  
Childhood Literacy and Math in Discussion  
Grade 3 and CCMR

## **BACKGROUND:**

House Bill 3 (HB3) requires that school boards adopt a five-year plan to meet three outcome goals. One in early childhood literacy aligned to 3rd grade Reading STAAR results, one in early childhood math aligned to 3rd grade Math STAAR results, and one in College, Career, and Military Readiness (CCMR) aligned to graduates that meet readiness requirements. The board will work collaboratively with the superintendent to adopt appropriate board outcome goals with annual targets for aggregate student performance and each appropriate student group under the closing the gaps domain. The 2019-2020 school year serves as year one for plan implementation. District and campus plans should be adopted and posted by the end of the current school year on every campus and the district web site. Aligning the superintendent's evaluation to the board outcome goals, the superintendent's evaluation is aligned to each plan. The recommended board target goals and progress measures are attached for each grade and campus.

## **FISCAL IMPLICATIONS:**

**NONE**

## **RECOMMENDATION:**

Recommend approval to adopt the required HB3 five-year Board outcome goals, and campus plans for early childhood literacy and math aligned to 3<sup>rd</sup> grade Reading and Math STAAR and CCMR for the 2019-2024 school years.

## Priority for Service (PFS) Action Plan for Migrant Students

As part of the Every Student Succeeds Act (ESSA), the Priority for Service (PFS) Action Plan is a required program activity for the Migrant Education Program. In providing services with funds received under this part, each recipient of such funds shall give priority to migratory children who have made a qualifying move within the previous 1-year period and who are failing, or most at risk of failing, to meet the challenging State academic standards; or have dropped out of school. [§1304 [20 U.S.C. 6394](d)].

The Priority for Service Report on NGS must be used to determine who to serve first and foremost with MEP funds. Students are identified as PFS if they meet the following criteria:

| Priority for Service Criteria                          |  |
|--|--|
| Grades 3-12,<br>Ungraded (UG) or<br>Out of School (OS) | <ul style="list-style-type: none"><li>• Who have made a qualifying move within the previous 1-year period;</li></ul> <u>AND</u> <ul style="list-style-type: none"><li>• Have failed one or more of the state assessments (TAKS/STAAR), or were granted a TAKS LEP Postponement, were Absent, Not Tested or were not enrolled in a Texas school during the state assessment testing period for their grade level.</li></ul>             |
| Grades K-3   | <ul style="list-style-type: none"><li>• Who have made a qualifying move within the previous 1-year period;</li></ul> <u>AND</u> <ul style="list-style-type: none"><li>• Have been designated LEP in the Student Designation section of the New Generation System (NGS) Supplemental Program Component; <u>or</u></li><li>• For students in grades K-2, who have been retained, or are overage for their current grade level.</li></ul> |

The following document is provided by TEA for districts to help document efforts that are being conducted on behalf of Priority for Service students. It contains all of the required components as described in Part 4 of the ESSA Application in the Provisions and Assurances, but also allows room for districts to add additional activities. Each district's plan must clearly articulate criteria for defining student success, including timelines for achieving stated goals and objectives.

**NOTE:** This document can be obtained electronically in MS Word format from the regional ESC MEP Coordinator.

STUDENT WELFARE  
FREEDOM FROM BULLYING

FFI  
(LEGAL)

**Definitions**

**Bullying**

“Bullying”:

1. Means a single significant act or a pattern of acts by one or more students directed at another student that exploits an imbalance of power and involves engaging in written or verbal expression, expression through electronic means, or physical conduct that satisfies the applicability requirements below and that:
  - a. Has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property;
  - b. Is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student;
  - c. Materially and substantially disrupts the educational process or the orderly operation of a classroom or school; or
  - d. Infringes on the rights of the victim at school; and
2. Includes cyberbullying.

**Cyberbullying**

“Cyberbullying” means bullying that is done through the use of any electronic communication device, including through the use of a cellular or other type of telephone, a computer, a camera, electronic mail, instant messaging, text messaging, a social media application, an Internet website, or any other Internet-based communication tool.

**Applicability**

These provisions apply to:

1. Bullying that occurs on or is delivered to school property or to the site of a school-sponsored or school-related activity on or off school property;
2. Bullying that occurs on a publicly or privately owned school bus or vehicle being used for transportation of students to or from school or a school-sponsored or school-related activity; and
3. Cyberbullying that occurs off school property or outside of a school-sponsored or school-related activity if the cyberbullying:
  - a. Interferes with a student's educational opportunities; or

STUDENT WELFARE  
FREEDOM FROM BULLYING

FFI  
(LEGAL)

- b. Substantially disrupts the orderly operation of a class-room, school, or school-sponsored or school-related activity.

**Policy**

The board shall adopt a policy, including any necessary procedures, concerning bullying that:

1. Prohibits the bullying of a student;
2. Prohibits retaliation against any person, including a victim, a witness, or another person, who in good faith provides information concerning an incident of bullying;
3. Establishes a procedure for providing notice of an incident of bullying to:
  - a. A parent or guardian of the alleged victim on or before the third business day after the date the incident is reported; and
  - b. A parent or guardian of the alleged bully within a reasonable amount of time after the incident;
4. Establishes the actions a student should take to obtain assistance and intervention in response to bullying;
5. Sets out the available counseling options for a student who is a victim of or a witness to bullying or who engages in bullying;
6. Establishes procedures for reporting an incident of bullying, including procedures for a student to anonymously report an incident of bullying, investigating a reported incident of bullying, and determining whether the reported incident of bullying occurred;
7. Prohibits the imposition of a disciplinary measure on a student who, after an investigation, is found to be a victim of bullying, on the basis of that student's use of reasonable self-defense in response to the bullying; and
8. Requires that discipline for bullying of a student with disabilities comply with applicable requirements under federal law, including the Individuals with Disabilities Education Act (20 U.S.C. Section 1400 et seq.).

The policy and any necessary procedures must be included annually in the student and employee handbooks and in the district improvement plan under Education Code 11.252. [See BQ]

**Internet Posting**

The procedure for reporting bullying must be posted on a district's Internet Web site to the extent practicable.

**Prevention and  
Mediation**

A district may establish a district-wide policy to assist in the prevention and mediation of bullying incidents between students that:

1. Interfere with a student's educational opportunities; or
2. Substantially disrupt the orderly operation of a classroom, school, or school-sponsored or school-related activity.

**Note:** This policy addresses bullying of District students. For purposes of this policy, the term bullying includes cyber-bullying.

For provisions regarding discrimination and harassment involving District students, see FFH. Note that FFI shall be used in conjunction with FFH for certain prohibited conduct. For reporting requirements related to child abuse and neglect, see FFG.

---

**Bullying Prohibited**

The District prohibits bullying, including cyberbullying, as defined by state law. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

Examples

Bullying of a student could occur by physical contact or through electronic means and may include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name calling, rumor spreading, or ostracism.

**Retaliation**

The District prohibits retaliation by a student or District employee against any person who in good faith makes a report of bullying, serves as a witness, or participates in an investigation.

Examples

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

**False Claim**

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding bullying shall be subject to appropriate disciplinary action.

**Timely Reporting**

Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct.

**Reporting  
Procedures**

Student Report

To obtain assistance and intervention, any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, school counselor, principal, or other District employee. The Superintendent shall develop procedures allowing a student to anonymously report an alleged incident of bullying.

Employee Report

Any District employee who suspects or receives notice that a student or group of students has or may have experienced bullying shall immediately notify the principal or designee.

|                                     |  |
|-------------------------------------|--|
| Report Format                       | A report may be made orally or in writing. The principal or designee shall reduce any oral reports to written form.  |
| <b>Notice of Report</b>             | When an allegation of bullying is reported, the principal or designee shall notify a parent of the alleged victim on or before the third business day after the incident is reported. The principal or designee shall also notify a parent of the student alleged to have engaged in the conduct within a reasonable amount of time after the incident is reported.  |
| <b>Prohibited Conduct</b>           | The principal or designee shall determine whether the allegations in the report, if proven, would constitute prohibited conduct as defined by policy FFH, including dating violence and harassment or discrimination on the basis of race, color, religion, sex, gender, national origin, or disability. If so, the District shall proceed under policy FFH. If the allegations could constitute both prohibited conduct and bullying, the investigation under FFH shall include a determination on each type of conduct.  |
| <b>Investigation of Report</b>      | The principal or designee shall conduct an appropriate investigation based on the allegations in the report. The principal or designee shall promptly take interim action calculated to prevent bullying during the course of an investigation, if appropriate.  |
| <b>Concluding the Investigation</b> | <p>Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the initial report alleging bullying; however, the principal or designee shall take additional time if necessary to complete a thorough investigation.</p> <p>The principal or designee shall prepare a final, written report of the investigation. The report shall include a determination of whether bullying occurred, and if so, whether the victim used reasonable self-defense. A copy of the report shall be sent to the Superintendent or designee.</p> |
| <b>Notice to Parents</b>            | If an incident of bullying is confirmed, the principal or designee shall promptly notify the parents of the victim and of the student who engaged in bullying.   |
| <b>District Action</b>              | If the results of an investigation indicate that bullying occurred, the District shall promptly respond by taking appropriate disciplinary action in accordance with the District's Student Code of Conduct and may take corrective action reasonably calculated to address the conduct. The District may notify law enforcement in certain circumstances.   |
| <i>Discipline</i>                   | A student who is a victim of bullying and who used reasonable self-defense in response to the bullying shall not be subject to disciplinary action.  |

|--|--|
|  | The discipline of a student with a disability is subject to applicable state and federal law in addition to the Student Code of Conduct.   |
| <i>Corrective Action</i>               | Examples of corrective action may include a training program for the individuals involved in the complaint, a comprehensive education program for the school community, follow-up inquiries to determine whether any new incidents or any instances of retaliation have occurred, involving parents and students in efforts to identify problems and improve the school climate, increasing staff monitoring of areas where bullying has occurred, and reaffirming the District's policy against bullying. |
| <i>Transfers</i>                       | The principal or designee shall refer to FDB for transfer provisions.  |
| <i>Counseling</i>                      | The principal or designee shall notify the victim, the student who engaged in bullying, and any students who witnessed the bullying of available counseling options.   |
| Improper Conduct                       | If the investigation reveals improper conduct that did not rise to the level of prohibited conduct or bullying, the District may take action in accordance with the Student Code of Conduct or any other appropriate corrective action.  |
| <b>Confidentiality</b>                 | To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.  |
| <b>Appeal</b>                          | A student who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level.   |
| <b>Records Retention</b>               | Retention of records shall be in accordance with CPC(LOCAL).   |
| <b>Access to Policy and Procedures</b> | This policy and any accompanying procedures shall be distributed annually in the employee and student handbooks. Copies of the policy and procedures shall be posted on the District's website, to the extent practicable, and shall be readily available at each campus and the District's administrative offices.  |
