Dear Parents & Carers,

Relationships and sex education: Policy consultation

Due to the changes to requirements for relationships and sex education (RSE), within our curriculum, we wish to consult with our parents, carers, students and staff on how we can make sure that our updated RSE curriculum meets the new requirements as well as the needs of our students.

We've worked hard to make sure that our new curriculum reflects:

- Our students' age and maturity levels, as well as their cultural and religious backgrounds
- The values of our school community
- Every student's learning needs
- What students need to know to be healthy and safe in school, in their personal relationships and in the wider world

We have now updated our RSE policy and our curriculum.

You will find a copy of our draft policy attached to this letter, along with our curriculum. We have also made them available on our website.

We would like your feedback on the proposed curriculum and the wider policy.

Below, is the link for your review and consultation.

The deadline for responding to the consultation is Friday 7th May 2021.

Yours sincerely,
