DAVIS CONNECT Summer Courses for Original Credit

Do you want to:

- Earn original credit?
- Replace an existing grade with a better grade?
- Advance in a subject of study?

Consider taking summer courses through Davis Connect Online!

The summer session begins June 14 and the last day for coursework to be submitted is August 6.

For a complete list of independent study summer courses offered, please visit: <https://davisconnect7-12.davis.k12.ut.us/school-information/counseling-center/7-12course-listing> and then click on, "DAVIS CONNECT 7-12 SUMMER COURSE LISTING."

All 9-12 grade courses are listed as "Term" courses and worth 0.25 credit. For a student to receive a full year of graduation credit, FOUR SEPARATE COURSES MUST BE REGISTERED FOR (Terms 1-4) AND SUCCESSFULLY COMPLETED. Students must pace themselves accordingly to complete 4 separate courses and earn a full year (1.0) graduation credit.

WARNING: IT IS DIFFICULT TO EARN A FULL YEAR OF CREDIT IN A CORE CONTENT AREA IN ONLY 1 SUMMER. For example, if students are attempting to pass a full year of math in one summer, we do not recommend they take any other online courses during the summer until all 4 terms of math are complete.
