Help Me Grow

Early Childhood Information & Referral

Connecting families to early intervention services. Some children need extra help to learn and grow. Help Me Grow is a Minnesota state initiative that connects children with developmental delays and disabilities and their families to free, local early intervention services.

If you have a concern about a child's development, you can refer the child through Help Me Grow for a free screening or evaluation. Services are free to eligible children ages birth-5, regardless of income or immigrant status.

Help Me Grow's website, helpmegrowmn.org, offers valuable information to help parents and caregivers understand a child's development. Resources include developmental milestones, strategies to encourage development and information about referrals.

To refer a child, visit helpmegrowmn.org or call 651-604-3700. Interpretation services are available for referrals by phone.

ECFE Classes

ECFE Classes include Three Components:

Parent-Child Interaction

You and your child spend time together enjoying activities designed to enhance learning. You will leave with new ideas for things to do together at home.

Parent Education

Meet with other parents and a licensed ECFE teacher to discuss topics such as development, temperament, discipline, and getting ready for school. The parenting group time takes place in a separate room or in a designated area of the children's classroom for non-separating classes.

Children's Classroom

While parents participate in parent education, children learn through play in a classroom with early childhood staff. Children will enjoy music, art, stories, large and small motor activities as they interact with other children.

Infants

AGES BIRTH - 12 MONTHS

This class includes activities, songs, rhymes, movement, and parent discussion with a trained parent educator. You and your child will spend time together exploring toys and participating in classroom activities in a stimulating environment.

Parent-Child Playschool

AGES 2 - 3 BY SEPT 1, 2021

Playschool is an opportunity for children to become more comfortable and confident in a classroom setting, learn to follow rules, routines and directions, begin to initiate social interactions, and become an integral part of a group.

In the fall, children come to school with a parent/guardian and spend time in a traditional ECFE classroom gaining these skills and separating during parent time. Starting the week of November 3, 2021 we will implement the second day as child-only. Children may attend the second day, Wednesday, as soon as they are 2.5 years old.

Mon & Wed / 8:45 - 10:45 am / NP
Monday is a parent/child day
Wednesday is child only starting Nov 3

Young Explorers

AGES 2.5 - 3 BY SEPT 1, 2021

There is fun and learning as your child participates in these mini sessions. Children enjoy theme based classes where we work on age appropriate developmental skills while exploring new learning experiences. Mini sessions offered Sept - May.

Sign up for one or all the sessions. Parents are invited to join their child the last 30 minutes of the last class to view their creations and receive recipes/directions for the activities we've done. Children should be mostly bathroom independent with limited accidents.

Session 1: "Look What I Can Do!"

Welcome to our classroom! This month we are exploring the classroom, learning how to use school materials, such as glue, scissors, markers, and crayons, exploring the school building, and learning the routines in a classroom. Get ready to play, learn and have some fun in Young Explorers.

\$45 / Thursdays / Sept 16, 23, 30 / 8:45 - 10:45 am / HU

Session 2: "Fall Harvest"

Autumn leaves are falling down, falling down. We love fall! Come join us as we explore our school forest, learn about the fall harvest, create Autumn crafts and make apple pie playdough to take home.

\$45 / Thursdays / Oct 7, 14, 28 / 8:45 - 10:45 am / HU

***No class Oct 21**

Session 3: "Habitats & Hibernation"

Winter is coming and all the woodland creatures are getting ready for the change in season. Come and learn about animal habitats and which animals hibernate. Together we will make a big bear cave in our classroom.

\$45 / Thursdays / Nov 2, 9, 16 / 8:45 - 10:45 am / HU

Session 4: "Gingerbread Friends & Fun"

"Run, run, run as fast you can! You can't catch me, I'm the Gingerbread Man." This month we'll be exploring (and maybe tasting) all things gingerbread! We'll be reading gingerbread books, playing in our very own gingerbread house, creating gingerbread artwork and building a gingerbread house to take home.

\$45 / Thursdays / Dec 2, 9, 16 / 8:45 - 10:45 am / HU

Preschool Classes

White Bear Lake Area Preschool Program

Four star (highest possible rating) Parent Aware rated White Bear Lake Area Preschool provides a safe and nurturing environment for a child's first school experience away from home.

Age-appropriate activities provide a variety of meaningful hands-on learning experiences in literacy and math, science and social studies, art and sensory, music and dramatic play.

White Bear Lake Area Preschool practices are aligned with kindergarten entry expectations.

We are currently accepting registrations for our preschool sections for school year 2021-2022.

Please reference the class options, age requirements, and a brief descriptions for each type of preschool below.

You may check online for class availability at www.whitebear.ce.eleyo.com.

3 Year Old Classes

Age 3 by Sept. 1, 2021

This preschool opportunity will allow children time to practice social skills as they begin to interact, cooperate, and develop their first friendships. Classroom activities will include a focus on turn-taking, sharing, playing games, pretend play, and small group learning.

4 Year Old Classes

Age 4 by Sept. 1, 2021

Classes are focused on helping children become independent learners and giving them the skills necessary to be successful in kindergarten. Curriculum is designed to address all areas of development and reinforce mastery of skills required for kindergarten readiness.

Nature Preschool

The program at Tamarack Nature Center revolves around nature, learning from it, about it and within it. Classes also include the development of pre-reading, writing, math, science, music and art skills with daily outdoor experiences. Children are immersed in rich activities that help them make meaningful connections to their classmates, teachers and the plants and animals that share their world. A Tamarack naturalist is an integral and collaborative member of the teaching team.

Fall Parent Event *NEW!*

Talking to your kids about race and diversity

Families can play a powerful role in helping children of all ages develop positive attitudes about race and diversity and skills to promote a more just future - but only if we talk about it! (The Children's Community School, 2018)

Children are never too young to learn about diversity. As caregivers, we must have confidence in ourselves to facilitate these conversations and teach children about the world around them.

Join us for an interactive conversation about how to talk about race, learn tools and tips to facilitate positive conversations with your family.

Parent Teacher Association (PTA)

WE NEED YOU!!!

What is the Parent Teacher Association (PTA)?

Every Early Childhood program is required to have an advisory council that assists in the developing, planning, and monitoring of the ECFE program. The PTA consists of parents participating in the program, local community professionals, and agency representatives who can offer input and guidance on community needs.

- **How Often are PTA meetings?**

Once a month on a Thursday evening from 6 - 7:30 pm at Normandy Park Education Center or join virtually.

- **Is there childcare offered during meeting times?**

Yes, if you call 24 hours in advance early childhood staff are available to play with your children in our classrooms, gyms or outside.

- **If I volunteer, do I need to attend every meeting or special event?**

No! We need people who can do a variety of things: volunteer for part of a special event, prep event items at home, assist with gathering donations, put together materials/activities for events at home, assist with ideas /planning of PTA sponsored events, and give input on programming to leadership.

- **What are the advantages of participating in PTA?**

Build your network of parents with similar aged children. Give back to your community with your talents and time. Program input based on the needs of the community.

- **Are there incentives for families to join PTA?**

Yes! If a parent/caregiver attends 2 PTA meetings a year and volunteers to help at 1 PTA sponsored event they will receive **one** of the following:

- a.) FREE registration for the following school year's preschool program.
- b.) \$50 off your ECFE tuition for current school year.
- c.) FREE year pass to Parent-Child Gym Time Wednesday nights.
