SANTA MONICA COLLEGE VISIT! SAVE THE DATE! April 30th, 2021

Santa Monica College will be giving our students a virtual college visit. They will also discuss educational and leadership opportunities for students at their college.

Harvard's Good Project and SLC!

SLC is in the final stages of being selected as a participant in The Good Project. The Good Project is one of the research initiatives housed at the Harvard Graduate School of Education's Project Zero. The Good Project promotes excellence, engagement, and ethics in education, preparing people to become good workers and good citizens who contribute to the overall well-being of society. SLC students will have the opportunity to engage in curriculum that helps them become good citizens who make valuable contributions to society.

Digital Art—Motivating Students!

Digital Art, Photography, Computer Science/Coding electives bring motivation, engagement, and life skills relevance to our high school. Digital art is an artistic work or practice that uses digital technology as part of the creative or presentation process. Since the 1960s, various names have been used to describe the process, including computer art and multimedia art. Digital art is itself placed under the larger umbrella term new media art. We have found that this type of art motivates our students and helps to bring out their creativity and expression!
