

SUN VALLEY COMPANY WINTER VIP PARKING

There are so many ways to get your 10,000 steps in for the day—trekking in your ski boots—packing your latest and greatest skis—from the top lot at River Run or streets of Warm Springs doesn't have to be one of them. Forego the inconvenience of parking at the top lot or side street (if you can find a spot!) and have the piece of mind that a convenient and close parking spot (AKA: Ski Star Parking!) is waiting for you at the base of River Run or Warm Springs/Greyhawk. The time you save searching for parking and lugging your equipment all over Hell's half acre will add up to more vertical feet logged every day on the hill! More turns + more vert = happy skiers!
