Meeting ID: 970 7548 0936

Passcode: 7kQmmk

1. Welcome and Introductions 9:00
Dr. Malouf welcomed families to the meeting. This will be a short meeting to help support teachers, many received their second vaccine last night.
2. Approval of Minutes from January SCC 9:05
Dr. Malouf asked the parents on SCC to approve the minutes from the previous meeting. Minutes approved.
3. Principal's Report
 - a. Students of the Month 9:05
Every month we have a focus of the month, the counselors go into the classrooms and teach a lesson on the focus skill of the month. January was on goal setting and healthy choices. They give teachers additional lessons. They recognize students who demonstrated the focus of the month and/or showed growth in that area.
Student names were read and recognized, they will receive a book and a certificate. It will be delivered to the class or to their home.
Student of the Month video will be shared on Facebook and with the staff to share with the rest of their students.
Dr. Malouf thanked the students for making Mountain View a wonderful place and being a great example to the rest of the students.
 - b. In-Person/Remote Update 9:10
Student returned to in person is going well. We are committed to our students whether they are in-person or remote. During parent teacher conferences teachers are asking if parents who are remote wanting to return to provide 24-hour notice. This way teachers can set up their desk with all the safety precautions and get materials ready.
With the number of students who are coming back, we are not able to guarantee six feet between desks. The teachers are doing a great job setting up a safe space. The students are following directions, being safe, sitting behind a screen, wearing their masks (except if they are eating breakfast/lunch or taking a drink). We are all feeling really happy. All the teachers nerves and concerns are reducing as we see it going well.
Originally March 8th was the next time for families to select in-person, but really at any time that the parent wants to return that is fine. It is also completely fine to stay in remote. We will work with all families based on their choice.
We are hoping, for many reasons, that the community positivity rates go down, we may be able to do some of the typical end-of-the year activities. All students, in-person or remote, will be able to participate. However, this depends on if we can do this safely. We are planning for fifth grade graduation to be a drive through again, we do not feel we can have all students and

families in the gym safely. We will pick a date once we know the high school dates, so families can attend all celebrations.

4. Other 9:20

Dr. Malouf shared the upcoming SCC meetings with two changes.

Reminder that today is picture day, with designated times for remote students 12-1 students with last name A-M, 1-2 students with last names N-Z.

We have these times set up to keep students spread out. Students need to follow safety protocol.

Only the student will be allowed to come inside, they can keep mask on for the picture day or remove it, grab any materials if their teacher left items, and head back outside. It should take about 5 minutes.

Make-up date is March 19th.

End of the Trimester is March 4th.

Friday, March 5th is a digital day (all students will be remote).

Monday, March 8th, third trimester begins, students can return to in-person at this time, or any time the families choose.

5. Adjourn 9:25

Opened the meeting up to questions. Dr. Malouf reminder parents to call the school at any time, we are happy to answer any of your questions or send an email. We really have the best community and are fortunate to work with this staff, the children, and all of the families.
