Elementary Registration and Swimming Lessons

Each week your child will explore a new and exciting adventure.

(Class options subject to change - Limited spots available)

Kindergarten

Students entering kindergarten in fall 2021

Students entering Kindergarten in the fall of 2021 will explore new themes every week. Through play, students will learn Math, Reading, Writing, and Social skills.

Kindergarten Students will have swimming lessons every day.

First Grade

Students entering grade 1 in fall 2021

Calling all incoming first grade students. Are you ready for fun? Here is your chance! You will learn through themes. Some previous themes were: Circus, Camping, Under the Sea, and more!

Second Grade

Students entering grade 2 in fall 2021

Are you a second grader? Are you interested in hands-on learning? This is the place for you. You will learn how to work together to solve problems. Using hands-on experiments, science, and innovative thinking you will discover new things.

Third Grade

Students entering grade 3 in fall 2021

Through collaborative team work, third grade students will build their skills by learning theme based reading, new math games, science experiments, and through innovative engineering.

Fourth & Fifth Grade

Students entering grade 4 or 5 in fall 2021

This summer, your child will have the opportunity to develop skills by designing and building train cars using cardboard materials and putting them together to create a completed train set. This is a great opportunity that will help encourage a child's creativity and inspire them to become "makers".
