HS Course Recovery

session 1 and session 2 4 hour session

By invite only; Students entering grades 10-12

Students finishing required course recovery will be able to take elective summer school courses!

Anime Drawing

session 1 1 hour class

learn the art of Anime drawing. They will demonstrate different techniques in live or recorded sessions and be able to answer any of your questions along the way while you work from home. **This class will be offered in Spanish as well.**

2D/3D IArt Studio

session 1 - 2 hour class

With: Art teacher **Taryn McKEETH** will take you through a variety of artistic skill building drawing and painting demonstrations, videos, assignments that will not only be wonderful "works of art", but also help advance your artistic skills and abilities to new levels. After completing these lessons, you will feel confident in saying that YOU are an Artist!

STEM: Miniature Golf Course

Hole in One

session 1 and session 2 2 hour class

Are you looking for an opportunity this summer to put your creativity to great use. This year's STEM Summer Camp will allow you and your friends to

design, engineer and build your very own working **miniature golf course** using cardboard construction. This camp is sure to be a fun and entertaining experience for all participants.

STEM: Robotics

session1 and session 2 2 hour class

This is a beginning course in robotics. We will be utilizing VEX Robotics kits, RobotC software and various VEX Robotics materials. The objective of this course is to introduce the student to basic programming as well as problem solving strategies. This course will involve students in the development, building and programming of a VEX Robotics Claw robot. Students will work hands-on in teams to design, build, program and document their progress.

MS Into the Outdoors

session 1 and session 2 - 4 hour class !

This class is for MS 6-8 grade.

Purpose: To Get Moving & Enjoy the Outdoors

The focus of this class is on taking advantage of outdoor opportunities in our area. We will experience a variety of activities enjoying, appreciating, and respecting the outdoors while keeping in mind safety and quietude.

Middle/High School Summer School Registration

Books to Movies

session 1 and session 2 2 hour class

Do you ever wonder where movies find their inspirations? It's from books of course! Each year, books are transformed onto the big screen! But what stays the same? What changes? Is the movie better, or the book? In this course, we will enjoy several great pieces of literature that have been transformed into major motion pictures.

We will sit back and relax as we enjoy the words of some amazing authors, while focusing on important reading elements such as characters, setting, internal and external conflicts, as well as focus on our comprehension, vocabulary, and fluency. After reading, discussing, analyzing, and interpreting the books, we will then enjoy the movie! We will look for similarities and differences, as well as the overall theme. So sit back, relax, and get ready to READ!!!

MS Yearbook Design

by invite

session 1 2 hour class (after brunch)

Woodworking

session 1 and session 2 2hour class

This course is designed to introduce students to general woodworking practices. Students will expand their knowledge and experience through various projects, lessons, and vocabulary.

MSSH Volleyball Skill Development

session 1 and session 2 2h class

Students will be expanding their volleyball skills. We will be doing drills and games to increase volleyball knowledge and skills while having fun in the process. The goal of this class is to further develop players in all aspects of the game.

HS Bootcamp/Great Outdoors

Session 1 only 4hour class

In this course we will be doing a variety of military workouts, outdoor sporting activities, as well as exploring the outdoors. We will be hiking at nearby parks and volunteering in the community. We will be enjoying the outdoors and getting in some great workouts!

Chinese 101

session 1 and session 2 2h class

Come and explore World Languages! Bring your positive attitude and curiosity. Learn to have a basic conversation in Spanish, French and Chinese. The goal of Beginner's Chinese is to teach students the fundamentals of basic Mandarin; such as pronunciation, essential vocabulary, and simple grammatical structures. This unit will create a starting point for the students to become fluent in conversational Mandarin.

ReadingClub Corner

session 1 and session 2 1 h

Come and dive into the world of Reading Whether it is a silent reading time, Reading Circle with discussion, or working on Reading intervention with a teacher, it is meant to help you become a stronger reader. **This class will be meeting at the MS library every day.**

Swimming

session 1 and session 2

swim 1 8-9:05

swim 2 9:05-10:05
