

April 30, 2021

Dear Keeneyville District 20 Families,

With the warm weather we saw this week, it is not surprising that our students have started to count down to summer vacation already! We hope that our families enjoy the “ABC Countdown to Summer” activities. Please see the [D20 Communication Center](#) for your child’s countdown activities.

As we transition into May, we want to remind families of the importance of continuing to work together to maintain a safe school community for our students and staff. The health and safety protocols in our buildings are working to mitigate the spread of COVID-19 and we are grateful for your continued diligence. Visit [D20 COVID-19 Protocols & FAQs](#) to see our current procedures and practices throughout the district.

Please see additional reminders and updates for families below:

- [District 20 Summer School Registration](#) is open for current ESD20 K-8th grade students through next **Tuesday, May 4**. Please see the flyer for more information. [ENGLISH](#) / [SPANISH](#)
- [Registration for the 2021-22 School Year](#) opens for all grades next **Monday, May 3 at 9:00am**. Please see the attached flyer for more details. [ENGLISH](#) / [SPANISH](#)
 - *We strongly recommend that you register soon as REGISTRATION IS FREE for Grades 1-8 if you register in May.* This means that you will not need to pay the \$150 registration fee, but you will still need to pay a \$50 Technology Fee for each student. There will not be any extensions of this deadline this year.
 - All families (all grades, new & returning students) will need to submit scanned copies or pictures of documents to show their residency in District 20 this year as part of the online residency and registration process.
 - **Go to www.esd20.org-->REGISTRATION tab for step-by-step instructions.** Please call your school or email registration@esd20.org with any questions.
- Food Services will continue to offer free breakfast and lunch to all in-person students and remote students can pick-up meals at Greenbrook, following [May School Menus & Pick-Up Schedule](#). Please note that the **new pick-up location** will be the Greenbrook Main School Entrance (east side).
- District 20’s Board of Education is currently seeking interested applicants for a Board Member Vacancy for the 2021-2023 term. Please visit [Board Vacancies](#) for more information including the application.

We hope that you enjoy this [video](#) of D20 students enjoying outdoor recess in the warmer weather. Have a safe and fun weekend with your family!

Sincerely,

Dr. Omar Castillo
Superintendent of Schools
Keeneyville ESD 20
