Happy May! It is hard to believe that we are two months away from the end of this school year. Some might say that is a blessing, however, I believe that in times of struggle you rise above and put your best foot forward. That is truly, what I believe this district, this community, and Indian Hill School has done. I am so very proud to be a small part of the success story from this incredibly unprecedented year.

For those of you who did not sign into the Board of Education meeting on Wednesday night, it is with an extremely heavy heart that I let you know I will be getting transferred. While I am certainly disappointed with this sudden announcement, like all of you, I came here to collaborate with others in service of children and their families, teachers, and staff. I believe I have done that in each school in which I have worked and will continue to do so wherever I am needed.

It was nothing short of an honor and a privilege to be the principal at Indian Hill School and be a part of this wonderful community and family that exists at Indian Hill School. I am so grateful to have had the opportunity to work with some of the best professionals in the business and to be a small part of the educational journey of your amazing children. I am confident that Indian Hill will continue to shine as it always has and will always be proud of the accomplishments of our students and our staff. I would like to thank our PLG for their continued and endless support, the office staff who is the best, and Mr. Ferrarese and Mrs. Jennings for working side by side with me in ensuring our students' needs, both academically and emotionally, are always the top priority. My past four years here have been filled with both challenges and triumphs and I contribute that all to the dedication and commitment that comes with our staff, our community, and the Holmdel excellence that we live by. Stay strong, believe in yourself, and never give up! These three phrases emulate this past school year and words I would encourage my students to live by.

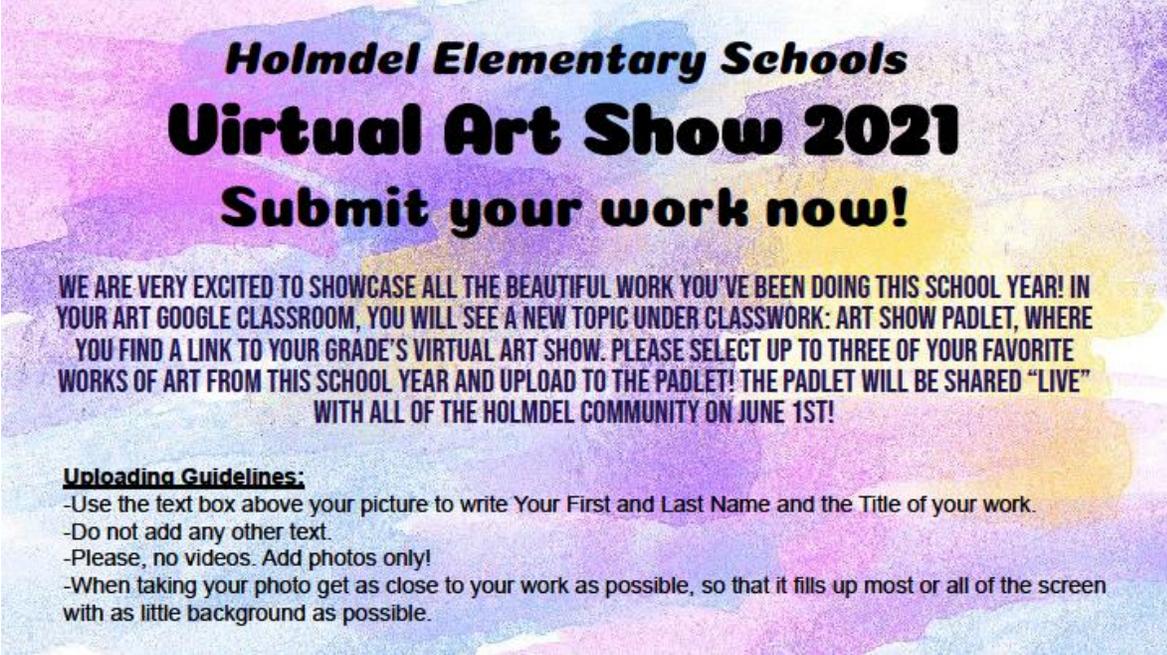

Thank you again for a wonderful experience and my best wishes for health and success to you all.

Let us end the year in a bang and enjoy the remaining two months of this crazy but productive year!

Much love,

Lisa Vitale

HYAA 2021 FIELD HOCKEY CLINIC STARTS SUNDAY, MAY 2ND REGISTER TODAY!!

HYAA will be offering an instructional skills field hockey clinic for girls in grades 4th - 8th grades. The girls will be separated into two separate groups - 4th -6th grades and 7th - 8th grades. This clinic is a fun way for girls to learn the fundamentals of the sport and to learn from experienced players and coaches.

When: Sundays, May 2nd thru June 9th (no clinic Sunday, May 9th) from 4:30 p.m. - 6:00 p.m.

Where: Roggy Field at Holmdel High School

Required Equipment: Stick, cleats, shin guards, goggles and mouth guard.

Registration fee for Instructional Clinic: \$75

Register on Team Snap by going on the HYAA Website (admin@hyaa.org), click on sports and then field hockey. There will be a link to our Team Snap registration page.

The HYAA organization has moved to a TeamSnap registration process. TeamSnap is an online mobile enabled sports team management application that allows our league, coaches and parents a more efficient means of communicating schedules and team events. If you do not have a TeamSnap account, you will be asked to create one as you register (requires an email address and password). Please register using the online form found on our website (www.HYAA.org). EVERYONE MUST CREATE A FAMILY ACCOUNT and register your child(ren) on TeamSnap. All registrations require a credit card payment at time of registration.

HYAA is not an affiliate of the Holmdel Board of Education
