

## 2021-22 SAMPLE SCHEDULE

# High School

# 196Online Virtual Learning

The high school 196Online instructional model is more flexible than the traditional bell schedule. Students in 196Online will spend time accessing and learning content, completing coursework and engaging in teacher feedback independently (asynchronously) at their own pace. There will also be live (synchronous) support provided each school day.

**Asynchronous learning time**

**Synchronous learning time**

### MONDAY

### TUESDAY

### WEDNESDAY

### THURSDAY

### FRIDAY

**Begin each learning day looking at the assignment calendar and coursework to make a to do list of learning for the day. Also look at the progress, feedback, and grades to see if there are any teachers to schedule an individual meeting.**
