

Summer 2021  
Camp Guide

# GENERAL CAMP INFO

## **REGISTRATION AND FORMS:**

All camps described in this catalog are available for registration online using Community Pass. Parents can log into Community Pass and click on the link for Bloomfield Hills Recreation Summer Camp. If a parent/guardian does not have a Community Pass account, they can go to <http://www.bloomfield.org/summer>, click on desired camps and then follow the prompts to set up a new family account.

Paperwork for Huck Finn, Bloomfield Summer Fun, and Sports & Adventure Camps (details on page 7) must be submitted to the camp or the Recreation Department prior to the first day of camp.

## **ELIGIBILITY:**

Campers must turn the advertised age within one month of the camp start date. Any questions regarding age requirements can be addressed with the Recreation Department. All of our camps are open to ALL children and not just children in our school district. There is no "out of district" fee assessed.

## **BEFORE AND AFTER CARE:**

Only our Huck Finn, Bloomfield Summer Fun, and Sports & Adventure Camps provide AM and PM Care to campers at an additional fee. The AM & PM Care are also held at West Hills Middle School.

## **DEADLINES FOR CAMP REGISTRATIONS:**

We ask that parents try to enroll in any camp at least a week prior to the camp's first day so that instructors have the time to ensure they have enough supplies on hand for all campers. If you try to register for a camp the day prior/day of, you may need to call the Recreation Department at 248-433-0885 for assistance.

## **COVID-19 HEALTH SCREENING:**

At all times, Bloomfield Hills Schools closely monitor real time Covid-19 data and responds accordingly. Every step will be taken by both staff and campers to ensure a safe and fun summer. Protocols will be posted online and will also be sent to all families once we are closer to the summer and are in a better position to provide guidelines/protocols.

## **REFUND POLICY:**

Once you register for a recreation camp, you will be charged \$7 for any cancellation refund and/or transfer request. There is a \$7 fee per session, per camper. Please notify us within 5 days of the start of camp if your child will not be attending so that we can ensure appropriate staffing levels. There are no refunds if cancellations come in five days before the start of camp. You must call 248-433-0885 during business hours (Monday through Friday, 8:00 a.m. through 4:00 p.m.) with all cancellations and/or refund requests.

**REGISTER TODAY:** [www.bloomfield.org/summer](http://www.bloomfield.org/summer) or call the Recreation office at 248.433.0885.

## Mad Science: My First Lab

Instructor: Mad Science Detroit

Preschoolers (and their grown up helper) will experience a Science Lab and experiments. This class meets for one hour a day for one week and a grown up attends with the little one. The following topics will be explored:

**Space Frontiers** - Take your child on a trip through the solar system and sign them up for the Mad Science Astronaut in Training Program, where they learn all about the elements of space. Students will take their own mini rocket home. Each class, your child will receive a Mad Science Take-Home and activities that they can do at home! Class will be 45 minutes with an additional optional 10-15 minutes of Q&A, guided builds, or other optional activities.

**Eye to Eye** - This workshop introduces students to their sense of sight. They experiment with magnifying glasses, kaleidoscopes, and binoculars. The preschoolers will also interact with a variety of optical illusions to illustrate that their eyes can sometimes play tricks on them.

**Human Body** - Children meet Mr. Bones the skeleton and learn about muscles and body systems. Children will love to assemble and wear their very own organ outfit!

**Science of Music** - Boom, tap, smack, cha-cha-cha! Listen to the sounds and rhythm of the science of music. Children feel, hear, and see the vibrations that help create music.

# STEM CAMPS

## *Let's Code It Camp*

*Instructor: Learning Means Fun*

Campers must be entering Kindergarten in the Fall of 2021 to attend this camp. This course will immerse students in the world of computer programming. Topics covered include event handling, coordinates, conditional statements, user interface design, variables, logic statements and synchronization. In addition to teaching programming skills, this course will also nurture students' creativity and problem-solving skills. No previous experience is necessary, just a desire to learn and have gigabytes of fun! Students will receive an award on the last day of the session.

DATE	TIME	DAY	LOCATION	FEE	AGE	COURSE
7/19-7/23	9 AM - 12 PM	M-F	Conant	\$236	Grades K-5	271B-21C01
8/9-8/13	9 AM - 12 PM	M-F	Conant	\$236	Grades K-5	271B-21C02

## *Let's Build It Camp*

*Instructor: Learning Means Fun*

Campers need to be entering Kindergarten in the Fall of 2021 to attend this camp. This camp takes a hands-on approach to engineering, allowing students to directly engage with the basic engineering concepts through a variety of fun and educational activities. Students will improve their problem solving, math and physics skills -- all while engaging in exciting projects! Each unit will focus on a specific area of engineering. The camp will culminate in a testing of students final projects and each student will receive an award for their progress during the unit.

DATE	TIME	DAY	LOCATION	FEE	AGE	COURSE
7/12-7/16	9 AM - 12 PM	M-F	Conant	\$236	Grades K-5	271A-21C01

## *Eureka - The Mad Science Inventor's Camp*

*Instructor: Mad Science Detroit*

Inspire the inventor and scientist in you! Campers will overcome a series of challenges using basic materials, simple machines, tips from famous inventors and, most important of all, their mind! With a little bit of ingenuity, children will create catapults and forts and even construct their own working Light Sabers to take home! While Thomas Edison said "invention is 10% inspiration and 90% perspiration", this camp is 100% FUN!

DATE	TIME	DAY	LOCATION	FEE	AGE	COURSE
7/19-7/23	1 - 5 PM	M-F	Way	\$295	Grades K-6	2660-21C01

## *NASA Camp: Academy of Future Space Explorers*

*Instructor: Mad Science Detroit*

Mad Science has teamed up with NASA in a quest for exploration! We will take a voyage of discovery into the atmosphere and beyond as we explore planets, moons, and other space phenomena in our solar system. Things will heat up as we examine the sun and other stars and discover the difficulties of space travel. Kids will get a firsthand experience of the challenges of living in space as they try to assemble a satellite while training to be an astronaut! For added fun, we will learn about the various technologies that make space exploration possible while bouncing lasers around the room. Kids will love to build their own Mad Science rocket and participate in a real "NASA" style rocket launch. Campers will receive many cool NASA take homes, including a cosmic disc, a Shuttle Copter, and more! Mad Science is the ONLY organization licensed by NASA to use these activities for summer camps and school programs.
