Summer 2021

WELCOME

Welcome to Summer 2021 with Albany Area Community Education! We know that you enjoy the convenience of registering online through Eleyo, but also love having a hard copy brochure to browse through with a pen in hand. This year, we have brought you the best of both worlds — this condensed brochure along with online registration which includes more information and expanded descriptions. There may be important details included in the expanded descriptions that were not included in this publication, so please read descriptions and dates carefully when you visit us online. As always, please call us at 320-845-5060 with any questions. We are excited to see you and your family this summer!
