HIGH FIVE WORTHY POINTS

Thank you for supporting our Junior Coach's community service project this year. Liberty collected over 200 cans!

The Junior Coach of December is Ethan from Ms. Rollins 5th grade class!

Basketball is over! Thank you for supporting your 2019 Liberty Eagles Girls Basketball team.

WHAT'S DECKING OUR PLAYGROUND AND HALLS?

While looking around the playground this month, I have seen a place where students have a safe enjoyable recess. Being at the play yard has become more and more of a positive experience for all who are around! Although the weather has been getting colder and "smoggier", the kids are still being as recess RICH as ever. We all know that some of the recess rules get adjusted during the winter, so I have placed a short snow reminder in all of your mailboxes and would love if you reiterated the snow rules at recess. During grade level recess, these should be enforced so students have consistency on the play yard please!

Considering we only had three weeks of Playworks Class Game Times, the students played some more tag games, learned a few holiday games, and reviewed recess in the winter season! After each game we play, we play 3 to 4 each class, we hold a debrief. Most debriefs focus on being RICH (Respectful, Inclusive, Community, and Healthy Play), but I have been steering more conversations to include concepts like teamwork and corporation. If your specific class needs to focus on more "kind human" words, I would love to support you in that lesson. I will be more than willing to bring in specific "kind human" words into our conversations after certain games within any class.

In 2020, we are going to focus on participating in Playworks co-ed volleyball team, playing creative indoor games, and being kind to one another with our words, action, and games.

I'm looking forward to the next year being filled with play and laughter!
