## IMPORTANT INFORMATION FROM THE HEALTH ROOM

We look forward to providing a safe and healthy school year for your student. The following is information on BVSD's health-related requirements to ensure your student is prepared for the next school year.

State law requires all students attending Colorado schools to be vaccinated against certain diseases unless they have a medical or non-medical exemption on file. Information on required vaccines, exemptions and rules are available on the BVSD Health Services website: [www.bvsd.org/departments/health-services](http://www.bvsd.org/departments/health-services). **Non-medical exemptions expire June 30th of each year and must be submitted annually.** Note, SB20-163 becomes effective with the 21/22 school year and changes the requirements for non-medical exemptions, please visit the website: [cdphe.colorado.gov/vaccine-exemptions](http://cdphe.colorado.gov/vaccine-exemptions) for further information. In compliance with State law, students that do not have current required immunizations, a plan to get the required immunizations, or a current statement of exemption, will not be permitted to attend school after **October 29, 2021**.

BVSD is tracking COVID vaccinations for students. If your student has been vaccinated please submit a picture of the vaccination card to the health room. This will help with future quarantine procedures. Email [tami.steinfeld@bvsd.org](mailto:tami.steinfeld@bvsd.org) or fax 720-561-5368.

It's time to start looking at the Annual Data Update (ADU) for the 21/22 School Year. It is extremely important that all health and emergency contact information is updated during the Annual Data Update (ADU). Please make the necessary changes to any medical health, medications, mental health, immunizations, and ensure that your child's emergency contact information is up to date.

## Getting to know your Centaurus Team: TAMI STEINFELD

Each week we will introduce a member of the Centaurus staff and teachers to our parent and student community. This week, we'd like to introduce **Tami Steinfeld**.

My name is Tami Steinfeld, I have been the Health Room Paraprofessional at Centaurus High School for the last three years. I am a Colorado transplant from a one stoplight town in Wyoming called Thermopolis. I met my husband in Thermopolis, and it's his job that brought us to Broomfield 23 years ago. I obtained my Nursing License from Concorde Career College, and I occasionally work as a clinical nurse at a Rehabilitation facility. We have one son who is a sixth grader at Aspen Creek. He is our star hockey player who one day would like to play hockey at Centaurus. Besides hockey, he plays lacrosse and flag football and loves to go dirt biking. We have one dog "Muddy", a cat "Buddy" and a mean bearded dragon "Echo" that keep us busy at home. During the school year our lives consist of school and sports, but in the summer time we enjoy camping, car shows, or lounging in our pool. I feel fortunate to work at Centaurus; it vibes the small town tight knit community that I love.
