Visitors to and Conduct on School Property

The following definitions apply to this policy:

School property- School buildings and grounds, all District buildings and grounds, and any location used for a School Board meeting, athletic event, or other school-sponsored event.

Visitor- Any person other than an enrolled student or employee.

All visitors to school property are required to report to the Building Principal's office and receive permission to remain on school property. All visitors must sign a visitors' log, show identification, and wear a visitor's badge. When leaving the school, visitors must return their badge. On those occasions when large groups of parents and friends are invited onto school property, visitors are not required to sign in but must follow school officials' instructions. Persons on school property without permission will be directed to leave and may be subject to criminal prosecution.

Any person wishing to confer with a staff member must contact that staff member by telephone or email to make an appointment. Conferences with teachers are held, to the extent possible, outside school hours or during the teacher's conference/preparation period.

The School District expects mutual respect, civility, and orderly conduct among all individuals on school property or at a school event.

In addition to prohibitions stated in other District policies, no person on school property or at a school event shall:

1. Strike, injure, threaten, harass, or intimidate a staff member, a School Board member, sports official or coach, or any other person.

Convicted Child Sex Offender

State law prohibits a child sex offender from being present on school property or loitering on a public way within 500 feet of school property when persons under the age of 18 are present, unless the offender is:

1. A parent/guardian of a student attending the school and the parent/guardian is: (i) attending a conference at the school with school personnel to discuss the progress of his or her child academically or socially, (ii) participating in child review conferences in which evaluation and placement decisions may be made with respect to his or her child regarding special education services, or (iii) attending a conference to discuss other student issues concerning his or her child such as retention and promotion and notifies the Building Principal of his or her presence at the school, or
2. Has permission to be present from the School Board, Superintendent or Superintendent's designee. If permission is granted, the Superintendent or Board President shall provide the details of the offender's upcoming visit to the Building Principal.

In all cases, the Superintendent, or designee who is a certified employee, shall supervise a sex offender whenever the offender is in a child's vicinity.

Enforcement

Any staff member may request identification from any person on school property; refusal to provide such information is a criminal act. The Building Principal or designee shall seek the immediate removal of any person who refuses to provide requested identification.

Any person who engages in conduct prohibited by this policy may be ejected from school property. The person is also subject to being denied admission to school events or meetings for up to one calendar year.

Denial of Access

If the Principal determines that the conduct of a visitor warrants denial of access, the Principal may request that the Superintendent notify the visitor that access to a school building and/or grounds is denied. The Superintendent shall review the allegations of misconduct, and the Superintendent or his/her designee may notify the visitor that his/her access is denied up to one year and state the reasons therefore. The notification shall be in writing and shall advise the visitor that he/she may request mediation before the Superintendent who may modify or rescind the notice.

If the visitor objects to the decision of the Superintendent after the mediation hearing, he/she may appeal the determination within 10 days to the Board of Education. Said hearing shall be held before a hearing officer appointed by the Board who shall conduct a hearing and render a report including findings of fact to the Board of Education. The Superintendent may refuse the person admission pending such hearing. The Board shall consider said report and may affirm, reject, or modify the decisions of the Superintendent.
