

2021 Summer Reading for Rising 3rd Graders

Each student is expected to keep a list of the books he or she reads during the summer. Students should read at least ten books, five of which must be chapter books. For two of the books, the student must write a paragraph summary on notebook paper. Use a piece of notebook paper to list each book's title, author, and page count. Your student should turn in his/her summaries and list of books read by Friday, August 20th. Here are a few suggestions from Ms. Smith:
