

CONDITIONS GOVERNING ENROLMENT AND ADMISSIONS (AFTER DEC 2009)

All parents are requested to note that enrolment and admission to Tanglin Trust School Ltd (the 'School') are subject to the Admissions Policy (found on the School's website [\[Admissions Policy\]](#)) and the conditions set out below ("Admission Conditions"). Upon applying for admission to the School, Parents, Guardians and/or any persons with parental responsibility for the student or prospective student ("a Parent") are asked to accept the Admissions Policy and Admissions Conditions and will be bound by them.

1. The application should be submitted with full payment of the Enrolment Fee as stated in the Fee Schedule. No invoice for the Enrolment Fee will be issued in advance. A receipt will only be given upon request to acknowledge payment. Applications are valid from the date of application until the issue by the School of an Offer Letter, a waitlist notification that a place has become available, or a letter informing that the application is unsuccessful. The application for admission can be deferred for a maximum period of one year from the date of a place first becoming available, following which a new application and Enrolment Fee will be required.
2. The application is made on the understanding that the child (also referred to as the 'applicant') has a sufficient command of English and, moreover, is fully able to participate in and benefit from the School curriculum without extensive individual assistance. The School does not provide an English as an Additional Language (EAL) programme. If information relevant to the extent of the child's educational, emotional, social or health needs has not been made apparent to the School at the time of application and admission, or during the child's enrolment where such needs arise subsequent to admission, the School reserves the right to ask the Parent to withdraw the child, based on the School's assessment (in its sole discretion) that the School is unable to meet such needs.
3. Upon receipt by the School of the fully completed application and full payment of the Enrolment Fee, the applicant will be considered for enrolment. All applicants who satisfy the entry requirements may be (i) offered a place in the School or (ii) if there is no place immediately available, placed on the waiting list.
4. The Parent accepts that placement of the applicant into a particular year group is determined by the applicant's age on 1 September of each academic year.
5. Offer of a place and acceptance by payment of fees:
 - a. Upon notice of the School's offer of a place (the 'Offer Letter'), the Parent may accept the offer by signing the acceptance portion and submitting it to the School (the 'Acceptance Letter') by the date specified in the Offer Letter, together with a payment of the school fees for the first term, otherwise the offer is deemed withdrawn. If, for any reason, a Parent cancels an acceptance of a place after signing and submitting the Acceptance Letter, the first term's school fees paid will be retained by the School as liquidated damages for the failure to take up the school place reserved for the student, and the Parent accepts and acknowledges such amount of liquidated damages to be a genuine pre-estimate of loss suffered by the School.
 - b. A Capital Levy is charged at the prevailing rate for all students except for students who have left the School and are re-admitted within the next school term, as addressed at paragraph 10a.

- c. Offers made after the start of term: If a place is offered after the start of term, the school fees for the term that has commenced, in addition to the fees for the following term, will be payable when the Parent accepts the offer.
 - d. Where there is an increase in the school fees and or Capital Levy between the acceptance of the Offer Letter and the commencement of the student’s first school term, the increased school fees and/or Capital Levy, as the case may be, shall be included in the invoice for the following term’s fees.
 - e. The conditions on the Offer Letter form part of these Admission Conditions.
6. School Fees:
- a. The School requires all students to have two terms fees in place before the start of a school term, that is, the fees for the immediate term and the following term (the following term’s fees herein referred to as ‘Advance Fees’). Therefore in addition to paying the school fees for the first term upon acceptance (as referred to in paragraph 5a), the Parent shall pay Advance Fees for the second term prior to the start of the first term. Generally, each term’s school fees shall be paid as illustrated below:
 - School fees for Term 2 are billed and payable prior to the start of Term 1;
 - School fees for Term 3 are billed and payable prior to the start of Term 2; and
 - School fees for Term 1 (at the prevailing rate) of the following academic year, are billed and payable prior to the start of Term 3.
 - b. In the event that school fees for Term 1 of the following academic year are billed before the School’s announcement of an increase of school fees, the additional school fees applicable will be included in the invoice for the following term’s fees.
 - c. Parents undertake to pay school fees by the due date as stipulated by the School and to pay such increased fees from time to time as may be announced by the School. School fees do not include external examination fees and Parents agree to pay such fees for those examinations in which a student is entered.
 - d. School fees are calculated on an annual basis and split equally into 3 invoices, each in relation to one of the School’s three academic terms. For students in examination years 11, 12 and 13, the School will not accept any withdrawal for Term 3. Should a student withdraw from the School for Term 3, they will not be entitled to sit for the end of year exams at the School.
 - e. Fees shall be the responsibility of each person who has signed an Acceptance Letter, or any person who has parental responsibility for the student. The School may withhold any information or property of the Parent and/or the student while fees are unpaid. An agreement with a third party to pay any fees or any sum due to the School shall not release Parents from any liability to pay fees. The School reserves the right to refuse a payment from a third party.
 - f. Late Payment of School Fees: The School will impose a late payment fee of 5% of the outstanding fees not paid by the stipulated due date.
 - g. Automatic withdrawal upon non-payment of fees: A student will be deemed withdrawn from the School, without notice, if Advance Fees remain unpaid by the stipulated due date or the published withdrawal deadline, whichever is later.

- b. Retention of the Advance Fees (without interest):- In circumstances where written notice of withdrawal is not given by the Withdrawal Deadline, the School shall be entitled to retain a proportion of the Advance Fees paid, in accordance with the provisions herein, and the Parent accepts and acknowledges such amount thereunder retained to be a genuine pre- estimate of loss suffered by the School as a result of the late withdrawal.
 Retention of 50% of the Advance Fees (without interest):- Where written notice of withdrawal is not given in accordance with the above requirements, but is given between the Withdrawal Deadline and the last school day of the term then in session, an amount equivalent to 50% of the Advance Fees plus the Goods and Services Tax payable on such amount retained (as calculated by reference to the statutory rate then applicable) will be retained by the School as liquidated damages for loss suffered by the School as a consequence of the failure by the Parent to give a notice of withdrawal in accordance with the School’s requirements.
 - (i) Retention of 100% of the Advance Fees:- Where written notice of withdrawal is given after the last school day of the term then in session, or where a student fails to start a new term and no written notice of withdrawal has been given by the start of a new term, 100% of the Advance Fees will be forfeited in lieu of notice as liquidated damages for loss suffered by the School as a consequence of the failure by the Parent to give a written notice of withdrawal in accordance with the School’s requirements.
- c. The refund of all or any part of the Advance Fees will be made as soon as practicable after it has become due to the individual(s), company or organisation by whom it was paid to the School, unless that party notifies the School in writing that the refund is to be made to a named Parent of the child or to that Parent’s representative. - d. In the event that there are any amounts due and payable to the School, the School, at its absolute discretion, reserves the right to deduct such amounts from the Advance Fees on the last day of a half-term or the last day of a full term and refund the remainder.
- e. In the event that the party who paid the Advance Fees cannot be traced after the School has used all reasonable endeavours, the School will be entitled to retain the Advance Fees, or that part of it that is refundable to the party who cannot be traced, for its own use.
- f. In the event of some incident or event occurring within or affecting Singapore such that the School is required by the relevant authorities of the Singapore Government or at the School's discretion to close during the currency and / or aftermath of such incident or event, the School will not be obliged to refund all or any part of the fees or Advance Fees.

11. The Chief Executive Officer of the School (the 'CEO') may require at any time the withdrawal of a student from the School for any cause judged by the CEO in his absolute discretion to be adequate. Adequate cause may include matters such as the student's misconduct or inability to participate in and benefit fully from the School's curriculum without extensive individual assistance.  - d. In the event that Parents fail to notify the School that their child is a Singapore Citizen as per paragraph 13b, the School reserves the right to exclude the child from the School.  17. The Contracts (Rights of Third Parties) Act of Singapore (Cap. 53B) does not apply to these Admission Conditions.
 18. The Parent undertakes to keep the School updated with relevant changes to contact data, the student’s immigration status, and the student’s educational, emotional, social or health needs to the extent that it would affect the student’s ability to fully benefit and participate in the School’s curriculum.
