School Description

School Description Dunlap Elementary is located in the mountains northeast of Reedley and serves students in the Squaw Valley, Dunlap, and Miramonte areas. Our students promote to Reedley High School, Orange Cove High School, Reedley Middle College High School and Dunlap Leadership Academy. The school serves approximately 400 students in grades K-8 and includes a staff of 20 teachers.

Mission

Dunlap School, in partnership with all stakeholders, will create a positive and encouraging academic environment that will support the social emotional needs of all students. Through high expectations and rigorous instruction, we will produce independent and creative thinkers.

Vision

Through a manner of mutual respect, Dunlap School will embrace a collaborative spirit that creates a supportive community of lifelong learners that thrives on high expectations.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the KCUSD Business Office.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

Dunlap Elementary School has 24 classrooms, a multipurpose room, a library and an administration building. The main campus was built in 1950. Additional classrooms were constructed in 1977, 1979, 1984, and additional relocatable classrooms were constructed in 1985 and 1996. Construction of a new multipurpose room / gymnasium / cafeteria was completed in August of 2010. Renovations were made to current facilities for the creation of a new school library and computer lab and completed in May of 2014. Safe Passage improvements were made to Dunlap School with the completion of a new crosswalk in the front of the school in November of 2017.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

The Director of Maintenance, Custodial Supervisor, and the site principals work cooperatively with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar for dollar basis to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

Over the summer of 2013 building doors and trim were repainted giving the school a clean appearance. In the spring of 2012 all lighting systems were inspected and upgraded along with air conditioning thermostats to maximize energy conservation. During the summer of 2014 two classrooms were completely renovated adding new carpet, paint and technologies related to instruction were added. Blacktop areas were replaced in the summer of 2016. In the summer of 2017, the primary building and intermediate quad building were completely renovated. In 2019 new artificial turf was installed in the intermediate quad area and in front of the primary building.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: 10/2020

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	40	N/A	40	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parent involvement and communication are essential to our school success. Dunlap Elementary School continually strives to involve parents by exchanging information that helps parents understand and support school programs and by providing opportunities for parent participation in school activities.

There are numerous and varied opportunities for parent involvement during regular school year proceedings. Parents attend school functions and parent visitation days, participate in parent-teacher conferences, volunteer in classrooms, chaperone field trips, and assist with book fairs and fundraisers. Parents also serve on advisory committees and leadership teams, including the Parent Teacher Club (PTC), School Site Council (SSC), District Advisory Committee (DAC), English Learner Advisory Council (ELAC), and District English Learner Advisory Council (DELAC). Due to COVID 19 restrictions, some of these opportunities for participation have been placed on hold, or offered in a virtual setting.

Home and school communication is enhanced through the monthly Bobcat Brief, monthly Parent Teacher Club newsletters, parent/teacher conferences, the student/parent handbook, the school website, the Parent Square messaging system, student report cards, and other regular communication activities.

Parents who would like more information on how to become involved may contact Principal Keith Merrihew at (559) 305-7310.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Safety of students and staff is a primary concern of Dunlap Elementary School. Before, during, and after school, the campus is monitored by assigned staff. All visitors must sign in at the office and wear appropriate identification while on campus.

The comprehensive school safety plan is designed to assist in preparing for emergencies, managing emergency response efforts, and maintaining a safe school environment. The plan requires identification of security needs, development of prevention and intervention techniques, evaluation of physical facilities, and communication with staff and students. Components of the plan include: child abuse reporting procedures, procedures for teacher notification of dangerous pupils, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policies, and suspension and expulsion policies. The safety plan is reviewed annually, updated as needed, and fully compliant with federal and state regulations. The plan was last reviewed/updated in February 2019 and discussed with the Dunlap School Site Council in October 2020 and then shared with the Dunlap staff in August of 2020. An updated copy is available to the public at the school office.

The school's disaster preparedness plan includes steps for ensuring the safety of students and staff during a disaster. Emergency preparedness drills are conducted regularly and the school staff is appropriately trained.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	5.6	2.1	5.4	3.1	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	0.0	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	42	42	42

Professional development at Dunlap Elementary School is designed to meet the individual needs of teachers as well as broader school concerns. Professional development may take the form of trainings, coaching, peer observation, or constructive self-reflection and is consistent with our school vision and goals. Principal, teachers, instructional aides, and other support personnel may take part in these activities.

In the 2018-20 school years Dunlap School focused on implementing the newly adopted Engage NY curriculums in both ELA and math. Training was provided to support teacher implementation and understanding of how they should best utilize these curricular resources. There was also a focus on the integration and emphasis of targeted vocabulary through the use of response frames and front loading activities. These practices were adopted to support all student learning, especially English Language Learners. Regular grade level PLC meetings serve as a platform for grade level specific trainings and the sharing of best practices. Site based PLC meetings are held every other Wednesday to provide grade level support of direct instruction strategies, data collection and ongoing common core training and support. Teachers are allowed release time to plan for instruction/intervention and to observe other teacher's lessons at other school sites.

In the 2018-19 school years Dunlap School contracted with the English Learner Group who provided training on the ELD Framework and Standards. Teachers were taught how to understand the ELD standards and how it fits with the framework in developing designated and integrated approaches to instruction in each content area.

School administration performs walkthrough observations daily in each classroom. Monthly goals are established to improve instructional delivery and benefit student achievement. Administration provides real-time coaching during walkthroughs and always provides feedback to teachers.

Types of Services Funded

Local Control Funding is the general fund dollars we receive from the state. It is used to provide the base educational program. Title 1 - funding from Title 1 is used to provide intervention activities during the regular day and after school hours. It is also used to promote parent involvement.

After School Education and Safety Grant (ASES) provides after school activities and transportation for students to extend the school day. Positive Behavior and Intervention Strategies (PBIS) through Fresno County Office of Education.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
