### **School Description**

Mountain View School is one of five schools that form KCUSD Educational Options. The other schools are Reedley Middle College High School, Dunlap Leadership Academy, Kings Canyon High School and Kings Canyon Adult School. Mountain View offers an independent study educational plan for K-12 students. Reasons for placement on independent study vary, as do lengths of time in the program. The majority of students are classified as high school 9-12, but MVS also serves elementary and middle school students.

As part of the independent study program, each student is assigned a teacher to guide their studies. Students are to be supervised and in their homes during school hours when not attending school. Teachers meet with students on a weekly basis in two hour blocks. Except for medical issues, students are seen at the Mountain View School Student Center in Reedley, the MVS classroom on the Sheridan Elementary site in Orange Cove, or the MVS classroom on the Dunlap Leadership Academy school site in Dunlap. KCUSD outlines the number of hours teachers must meet with each student, which varies by grade level.

It is the goal of the program to develop in every student the capacity to be a capable, productive citizen who exceed all expectations held for him or her by others. The educational goal is to either earn a high school diploma or return to their home school site.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials for Mountain View School	18-19	19-20	20-21

Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. \*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

According to guidelines from the Williams Act, all students have access to all books and materials deemed necessary in order to both pass courses for graduation. Instructional materials are current, SBE and locally board approved and adopted.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Mountain View School opened its school site in January, 2014. The facility is comprised of two main buildings: the Office and Student Center building, and the Resource Center. The office houses two secretaries, the principal, student advisers, and reception area for parents. The attached Student Center accommodates student/teacher meeting cubicles, a classroom, and an eating space. The Resource Center, next to the Student Center, houses student materials, textbooks, a student/teacher work station, and a classroom.

The Mountain View center provides a safe, clean environment for teachers, staff, parents, and students. School facilities are up-to-date and provide adequate space for the program. KCUSD administers a scheduled maintenance program to ensure that the facilities are adequately maintained.

School Facility Conditions – Facilities were updated when the re-location project was enacted.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	13	N/A	52	N/A	50	N/A
Math	0	N/A	40	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Parent involvement and communication are important to our school. Mountain View continually strives to involve parents by exchanging information that helps them to understand and support their child's efforts to meet graduation requirements or necessary achievements to return to a comprehensive school site.

Students are continually encouraged to share the weekly assignment document with parents which verifies the credits earned and the grade achieved for the week. In the event a student is not completing assignments or not attending weekly appointments, contact is made by the administration soliciting parent assistance to rectify the behavior. Parent meetings are held monthly with students not making adequate attendance to review strategies to assist with improving performance.

Parent involvement opportunities at MVS also include an invitation to the annual district fair, attendance at back to school night/open house events, participation on the MVS School Site Council Committee, and the opportunity to participate in any parent education/training workshops offered by other KCUSD schools. During the COVID pandemic, some these activities could not take place, but will resume when it is safe to do so.

Parents who would like more information on how to become involved may contact Learning Director, Rich Ishimaru at (559) 305-7080.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

Due to the independent study design, Mountain View does not maintain a traditional school site. Mountain View School includes two main buildings, one of which houses the administration office and independent study space and the other a resource center for materials and small group instruction. Mountain View School is adequately maintained to meet all facility safety standards and is handicap accessible.

The School Safety Plan is updated annually and can be viewed upon request. The most recent update was November of 2019. The plan includes: KCUSD philosophy, district dress code, procedures in the event of a crisis, emergency evacuation plan, emergency telephone numbers, the campus utilities map, staff guidelines for responding to loss of life, a communication tree, and child abuse reporting procedures.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	3.7	0.0	5.4	3.1	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	0.0	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**D. Other SARC Information**

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	42	42	42

Professional development at Mountain View School is designed to meet the professional needs of teachers relating to the independent study educational setting. Professional development takes the form of teacher trainings, specific to the unique needs consistent with our school vision and goals. The principal, teachers, classified staff, and other support personnel take part in these activities. For the 18-19, 19-20, and 20-21 school years, Math and English teachers attended and will continue to attend district Professional Learning Community (PLC) sessions. For the past four years, monthly all-inclusive staff sessions have been and will continue to be scheduled in addition to any individual staff conferences. These staff meetings include opportunities for professional development and support in independent study procedures. District academic coaches provide training as related to technology and curriculum as needed. In addition, we have brought in outside representatives to support our use of a reading and writing computer software being used by students on two different occasions last school year. Any PD for this year is by zoom meetings, in-person meetings are very limited.

Lastly, over the past four years resource personnel and administrative personnel have attended the California Consortium of Independent Study conferences for current legal, financial, and best-practices seminars.

**Types of Services Funded**

MVS receives Title I funding to support our site with current technology to support both students and teachers. We also use Title I dollars to assist in professional development to improve instruction of students. Last year, administration attended the annual state independent study conference to bring back ideas to the staff.

Mountain View School also partners with the CAL Safe program at Kings Canyon High School to provide services to our teen parents or expectant teen parents. Services typically include providing resources and connections to the community to better prepare them for parenthood. In addition, MVS receives state lottery money to assist with classroom supplies for students and conference attendance for teachers.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
