

SCC Proposed Agenda for November 24, 2020

- 1) Approve meeting minutes from last meeting.
- 2) Discuss what “Returning to school” means at Dilworth if the board approves a return in January.
- 3) If the SLC School Board does not approve the return to in-classroom learning tonight, then I think we look at test scores. If possible, comparing this year’s scores with last year and the previous year to understand if there are areas where resources are needed to help students catch up.
- 4) Open it up to any other discussion items that the council would like to address.
- 5) Adjourn.
