

**SCC MEETING MINUTES
MARCH 23, 2021**

PRESENT: Richard Squire, Andrea Dremann, Tallie Buttars, Bethany Epstein, Abbie Carter-Smith, Wig Arnold, Nate Fotheringham, Amanda Shirley, Britt Rose, Anita Hunt, Nathan Eldredge, Kristi Swett, Carolyn Billings

1.APPROVAL OF MINUTES: The minutes of the previous meeting were approved as written.

2.TRUSTLAND PLAN: A draft of the Trustland Plan for the 2021-2022 school was presented to the Council for approval.

The goals for the school year are to improve reading, math and science scores by 5% from the beginning of the school year to the end as measured by RISE for math 4-6 and Acadience or RI for reading K-6.

Dilworth will pay for an additional art teacher next year. The art teacher will integrate and discuss core concepts in math, reading and science as they relate to the art that is produced.

Paraprofessionals will also be hired to support reading instruction. Identified students will have monthly Benchmarks to monitor improvement.

After some questions were asked and answered the motion was made and seconded to accept the

Trustland Plan as written. The vote to accept was unanimous.

3. ELECTIONS FOR NEXT YEAR: It is time to start thinking about electing a new SCC for the school year 2021-2022.

The term for serving on the SCC is two years. Most all of the council members for the 2020-2021 school year have served their two years.

We need to get information out to the community about the SCC and ask who would like to serve on the Council. A suggestion was made to use the newsletter and the marquee to advertise.

A question was asked if it would be possible to continue the meetings on Zoom. Many people can't make the meetings in person because of family commitments and this would be a good selling point to help these families. This will need to be investigated to see if this is possible.

4. OTHER: There are questions about next year and if the schools will return to five days a week. As it stands right now, the answer is yes. The schools will attend four full days with Friday as the short day. There is still some discussion about starting and ending times.

The district is offering a summer school to all district students. A decision hasn't been yet on the length of the summer school. This is a pod situation with Uintah hosting the summer school that Dilworth students can attend.

Some questions were presented for Council members to think about until the next meeting in April. These were technology and cell phones at school.

There being no further business the meeting was adjourned at 8:15 a.m. The next meeting will be held on April 27th at 7:15 a.m.
