The above-named student has requested the opportunity to participate in a physical activity as an alternative to regular physical education class or program. The following are terms of this contract:

1. The student applicant is enrolled in grades 6-12 in the Laguna Beach Unified School District.
2. The student applicant agrees to meet all terms of the student's Individual Education Plan, and Laguna Beach Unified School District Independent Study Physical Education (ISPE) requirements, including but not limited to submission of Monthly Activity Logs within the first week of the following month and the student's Performance Evaluation Report no later than 5 days prior to the end of each applicable semester. If either submission deadlines are not met, District staff may evaluate whether the student should be allowed to continue in independent study.
3. The student applicant understands and agrees that reminders of applicable Monthly Activity Log and Performance Evaluation submission dates shall not be given by the District.
4. The student applicant agrees that the failure on the part of the applicant, applicant's parents, coach, instructor, or trained specialist to meet any terms of the ISPE Requirements and/or the applicant's Individual Plan may result in a "Fail" grade on the student's transcript.
5. The student applicant and parent/guardian understand and agree that students in 7th or 9th grade are still required to take the yearly physical fitness test administered by the school site, even while enrolled in ISPE.
6. The District, through a credentialed teacher, agrees to monitor the student's timely submitted Monthly Activity Logs, and review the student's timely submitted Performance Evaluation Report.
7. The District agrees to notify the student within 2 weeks of submission of any Monthly Activity Log if there is an issue (e.g. not enough activity logged) that could cause the student to fail ISPE, to allow the student the opportunity to remedy the issue.
8. Students will receive a "P" with 5.00 credits on their report card and transcript. Failure to turn Monthly Activity Logs and Performance Evaluation Reports on time will result in an "F" posted on their report card and transcript.

We have read and agree with the conditions within this Contract.
