ASB partners with INJAZ to deliver an impactful leadership program!

The American School of Bahrain (ASB) partnered with INJAZ Bahrain to provide students with a holistic learning experience and leadership training.

The program fosters creativity, innovation and knowledge development, aligned with ASB's pillars.

Topics covered by the program centered on personal economics, societal economic roles, smart investing, practical understanding of the local business market, money-management skills, entrepreneurial journeys and hands-on classroom activities to demonstrate the economic benefits of staying in school.

INJAZ Bahrain is a non-profit organization established in 2005 as part of Junior Achievement Worldwide.

The programmes were implemented digitally on the platform "Junior Achievement CrossKnowledge Learning Suite". Students received their e-certIFICATE upon program completion.
