

Thursday 6th May 2021

Dear Parents and Carers,

Hope you are all keeping well. We have enjoyed a great couple of weeks of learning since coming back from Easter. The children have enjoyed starting their new topic "**Ancient Greece**". They have written excellent Greek myths in Literacy where they created their own mythical beast. Soon we will be writing our own travel brochures exploring the wonders of Greece.

Year 4 Summer Curriculum Update

PE - PE will continue to be Tuesday and Friday, so children can come in PE kit on these days. Dark trainers can be worn every day instead of school shoes.

Homework - There is a new MENU for homework. The children can choose what they would like to complete in any week and give it on a Wednesday. We do still expect the children to read every night as usual and record this in their reading journals.

Pencil cases- Please ensure your child brings their pencil case to school every day. Pencil cases should contain: HB pencil, ruler, rubber, sharpener, glue and coloured pencils. Please ensure to replenish items, when they run out as we have very limited supplies in school to offer children.

English	In Literacy we will be exploring <i>Greek Myths</i> and stories from the past. We will be writing about both modern day and <i>Ancient Greece</i> . We will continue with the spellings each week differentiated into 2 groups to focus on the Year 3/4 spelling rules.
Science	In Science we will look at animals including humans and living things.
Music	Soundstart will continue to be every Thursday afternoon where the children will continue to learn their assigned instrument.

Please feel free to contact us via seesaw if you have any concerns - Thank you for your continued support!

Yours sincerely,
Mr Jagger and Miss Adams
