- Art will be related to gardening, gardens, produce, flowers, nature, wildlife of Puget Sound & etc.
- Students, gardeners, and members of the community are invited to create art in any style and medium that can be photographed.
- Art must be artists original artwork
- Art must be submitted by May 1st, 2021

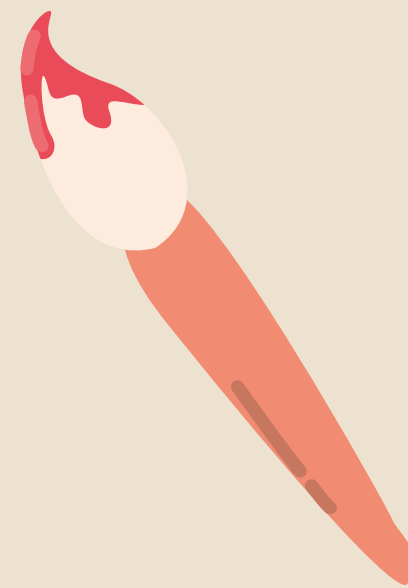

# About the Art Project:

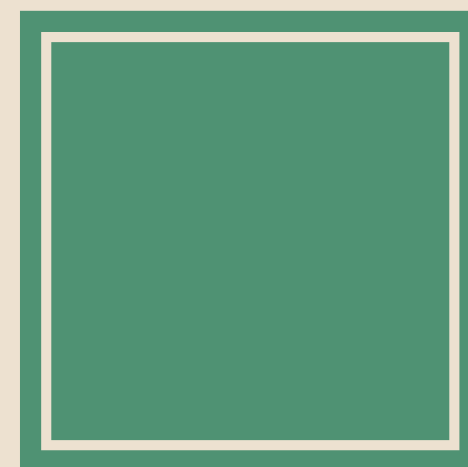

- The goal of the Art project is to place a permanent art installation on the New Start Community Garden fence at the New Start High School in Burien that features garden-related art and reflects the culture of the school and the surrounding communities.
- The size of the art must be a square format, such as 8" X 8", 10" x 10", 11"x 11" etc., not a rectangle format.
- All art styles are included and may be traditional, abstract, modern, etc. Mediums may include all mediums such as pencils, markers, collage, watercolor, tempera paint, oil paint, mixed media, digital art, etc.
- Students may submit 1 or 2 photographs of their original artwork.
- A photograph of the art will be fabricated in aluminum composite by a local sign shop and installed on the fence.
- A celebration with the community and artists will take place at the end of the project in summer 2021.
