Dear Convent & Stuart Hall
Community,

Celebrate Spring 2021 has arrived and we have so much to celebrate. My husband Brian and I are the parents of two children: Edwin (Kindergarten) and Caroline (Grade 4). Our children have continued to learn and grow throughout this challenging year, led by the sheer perseverance and grit of our amazing school.

In the tradition of Celebrate Spring, we come together as a community to support our school through the Parents Association's largest fundraiser. Although we cannot gather physically as one community this year, we can join together, with our Hearts as one, virtually! In years past, we have given generously and taken pride in what the teachers, the Board, the administration and Ann Marie have achieved. But this year, there's just no denying that we all have achieved something truly great. This year we aren't just celebrating spring, we are saying thank you. Tonight's show of gratitude is in recognition of the fact that the investments we make and have made are not in the abstract, they are tangible and visible. It's crystal clear that when we infuse the Schools of the Sacred Heart with our commitment and our capital, that investment comes back to our children tenfold.

Join us, and join your community, giving with a smile and knowing that our school is in a place of great strength. When we give, our community becomes better as we create the space for our children to grow and bloom.

And finally, please join me in thanking the Celebrate Spring volunteers for their tireless work and effort, the wonderful Advancement Office and our generous sponsors for making this event possible.

Enjoy Celebrate Spring 2021.

Warmest Regards,
Josie Freckmann

For this year's paddle call, our vision is to support the K-12 Performing Arts program with a reimagined space fit for performances and community gathering.

In our strategic plan, we call forward initiatives that seek to match the expansion of the Performing Arts program with a redesigned Little Theater space that will provide a unique, state-of-the-art creative learning environment for students and an entertainment venue for the greater community. Having a home in the renovated Little Theater will afford students and faculty in the music and theater programs new and exciting performance opportunities and a smaller black box rehearsal space, complementing Syufy Theatre's proscenium stage.

Raise your paddle to support a new performance space in the heart of campus that will serve as a setting where student expression and creativity can grow and thrive.
