

School Community Council Agenda for September 17, 2020

Connection: If you could own a magical creature, what would it be?

1. Intersection Safety on California & 800 West: We discussed our preference for either a bridge or tunnel to be erected for the safety of our students.
2. HB 58/S-3: This is a new law that addresses student use of alcohol, tobacco, electronic cigarette products, and other substances through education and prevention programs and discipline policies.
3. Questions and Answers
